Dear Mr. Hoover:

Your book Masters of Deceit, has opened my eyes and those of many others in our town and State to the fact that we must get busy and do our part to help fight communism. Several groups of school teachers business men and women and teen agers are getting organized in Tucumcari. I have 3 teen age daughters and I would like to work with the young people. But I want to be sure first that the project they want to work on is an authentic report.

I am enclosing this pamphlet which is being passed out, and one which has greatly aroused the interest of a large number of fine teen agers in Tucumcari. They want to organize and start fighting this Hollywood Communist Conspiracy, but before we do any-thing I want to be sure that we have proof from the F.B.I. that it is authentic.

Mr. Hoover, I consider you the best informed and one of the finest citizens America has ever been priviledged to have, and I'd be very grateful if you would write me concerning this matter, so that I may be sure that I am not guiding any of our youth in the wrong move. For we hope to keep expanding.

Sincerely,

Mrs.

We, in our area, have heard several lectures on Communists and Communist's Activities in the United States. We are concerned about growing Communism.

I have written to the Superintendent of Documents for material on Communist's Activities in the United States.

I wonder if it would be possible for us to find out about activities on television, radio and movies through your organization.

Enclosed is a leaflet I obtained from a friend. Is there truth in this leaflet?

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other invaluable information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan . . . this book will startle you—shock you—ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending \$2.00 to Cinema Educational Guild, Inc."

Compiled 1961  
"RED STARS" — TRACT

**THE REDS ARE BACK IN HOLLYWOOD!!**

**AMERICANS . . . To save America**  
**from the Communist Conspiracy —**  
**DON'T PATRONIZE REDS!!!**

**Keep Them OUT of Your (TV) Living**  
**Rooms - Out of Radio - Off the Screen**

**This Tract tells how YOU can do it!**

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The **Hollywood Moguls frantically denied everything**. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

62-97267-572

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

## TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Your letter of July 26, 1961, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, I must advise that the FBI, as strictly an investigative agency of the Federal Government, does not issue evaluations nor make comments relative to the character or integrity of any individual, organization or publication. In addition, information in our files is confidential and available only for official use in accordance with regulations of the Department of Justice. I have read Mr. Myron C. Fagans "Documentary of the Reds and Fellow Travelers in Hollywood & T. V.", and consider the statements given by him to be true. There are, however, many relatives and friends of mine who are unbelieving because of lack of official confirmation by someone as yourself.

If you cannot endorse Mr. Fagans above mentioned book as being true and factual, then perhaps you might take two individuals I shall mention and make known to me the following:

So many more people could be convinced of our need for immediate action against communism here in America if you or other men of high standing would confirm statements made by loyal Americans such as Mr Fagan.

If you cannot, for any reason, answer the above for me, then what is your opinion of Mr. Myron C. Fagan?

Dear Mr. Hoover,  
I have read Mr. Myron C. Fagan's "Documentary of the Reds and Fellow Travelers in Hollywood + T.V.", and consider the statements given by him to be true. There are, however, many relatives and friends of mine who are unbelieving because of lack of official confirmation by someone as you self.  
If you cannot endorse Mr. Fagan's above mentioned book as being true and factual, then perhaps you might take two individuals I shall mention and make known to me the following:

Dear Mr. [REDACTED]

Your letter postmarked July 27, 1961, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I hope you will not infer in this connection either that we do or do not have data in our files relating to the subjects of your inquiry. Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

Enclosed is some material dealing with the general subject of communism which may be of interest.

Sincerely yours,

Dear Mr. Hoover:

I am an enlisted man stationed at [REDACTED]

[REDACTED]. An incident happened here at the base which I think should be brought to your attention. Several days ago a Senior Petty Officer in the U.S. Navy showed me a pamphlet which was printed by the Cinema Educational Guild, Inc. P.O. Box 46205 Hollywood 46, California.

The pamphlet has to do with the Reds in Hollywood. It mentions 200 persons that the pamphlet says are Communist or have Communist leanings. However, it does mention persons who have Communist leanings placed there by the F.B.I., but some of the names that are listed placed some doubt in my mind as to the status of the pamphlet. To mention two of the names on the list: Chet Huntley and Edward R. Murrow. These two men deal with the public every day and has a great influence on it.

The pamphlets can be ordered by sending \$2.00 to the above address, although I have not done so. The pamphlets are being handed out at [REDACTED] I am interested in knowing

Certainly, communism represents the greatest single threat to the freedoms we all cherish, and your concern about this problem is understandable. It is always encouraging to hear from those who recognize the need for corrective action to counteract communist efforts aimed at subverting every phase of our American way of life. I am indeed pleased that "Masters of Deceit" was beneficial in alerting you to the existence of this menace.

Although I would like to be of service in connection with your request pertaining to the publications you enclosed, the FBI, as an investigative agency, does not furnish comments or evaluations concerning the character or integrity of any individual, organization or publication. I can advise you, however, that pamphlets issued by the Cinema Educational Guild, Inc., have been brought to our attention before. One of these indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither this organization nor its national director, Myron C. I am enclosing some information on the subject of communism which may be of assistance to you.

Dear Sir :

Words are insufficient to describe-emotions inadequate to express-my extreme hatred of Communism and everything for which it stands. I know you feel the same.

With this thought in mind, I'm contemplating joining a local Anti-Communist group. Enclosed with this letter please note several pamphlets distributed to me by this group. I now ask, is this information accurate? I want to deal only with accurate facts, as I am of the belief that doing otherwise would only help the Communists, instead of helping defeat them.

Your book, "Masters of Deceit" shook me from my complacency. Now I want to do something to help. I intend to dedicate myself to this task with all the fervor that any dedicated Communist employs in furthering their causes. To me, time and money will be no object. But, I desperately need your help, as you are one of the few people whom I know I can trust explicitly at this stage of the game, inexperienced as I am in this area.

I would be forever indebted to you if you would, at this time, send me any, and all, information which you might have, or might procure, regarding Communism, and/or

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

## AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960  
RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS o o o o

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

60-77167-526

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the **notorious "Hollywood Ten" to jail.** That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove **SCORES** of other REDS off the Screen . . . and, far more important, it **closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, **TELEVISION** became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!**—and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes ! ! . . .**

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); **Kraft Foods**; **General Electric**; **Chrysler**; **U. S. Steel**, etc. . . . among the worst offending TV Producing Studios are **Screen Gems, Inc.**; **MCA-REVUE**; **Warner Brothers**; **DESILU**; **Four Star Films, Inc.**; **Theatre Guild**, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and **FELLOW-TRAVELERS** who made our **SCREEN** Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then **fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to **ALL Dealers** you patronize — and **warn them** — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! ! REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY ! ! !**

(Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

### MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefields and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . . The U.S., BY ORDER OF THE UN, did not retaliate - Manchuria remained a Red's sanctuary throughout the war - and 145,000 American boys were maimed and MURDERED in Korea !!!

## Do We Need Any More Proof?

By their silence the UN admits GUILTY It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract!

You owe it to America - and to your own children - to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations - Civic Organizations - Clubs. Give them out where you work - give them to your Pastor for distribution - enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators - tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

- UN TRACT No. 1 -

Why we MUST get the U.S. out of the UN  
— and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins  
provide

**DOCUMENTARY PROOF**

that

**UN is PLANNED  
DEATH - TRAP FOR U. S.**

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress - from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot - how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . to brainwash our Youth through UNESCO . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai-Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygve Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs!!

### Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygve Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN!!!

"A NASTY LITTLE BOOK"

-Father Richard Ginder-

"Our Sunday Visitor" 1959.

SEVERAL of our readers have reproached me over the past five years for being too consistently conservative in my point of view. "Reactionary" is the word they generally use. And since, according to the tenor of the mail received in our office, the readership of this paper is only about 80% conservative, I have been persuaded at least this once to lay aside my usually "dirty, fascist, uncharitable, and isolationist prejudices" and try to assess matters through a Liberal looking-glass. In that frame of mind, I shall attempt a review of Up From Liberalism by William F. Buckley, Jr., just published at \$3.50 by McDowell, Obolensky of New York.

As evidenced by this latest effusion, Mr. Buckley - editor of a highbrow fascist hatesheet called "National Review" - is a sick, sick man.

Those who knew him during his days at Yale could even then see traces of that non-conformist exhibitionism which was later to overwhelm him with an arrogant passion for truth whatever that might be!

He was always unconventional up at New Haven. When the Dean of Canterbury went there to speak, for example, Buckley voiced the uncouth question: How can a servant of God serve Soviet Communism? . . . and refused to join the welcoming committee! (Con't. on Pg 2)

(Contd from Pg 1)

Now, of course, everyone should know by now that entertaining Communists is a mark of open-minded sophistication and a patriotic duty besides. But, there was Buckley, surrounded by all those men of learning, raising such a crude question, which - among others - he was later to develop in his infamous book, God And Man at Yale.

This pathological readiness of his to challenge all of our postulates would later degenerate into an attempted defense of Senator Joseph Mc Carthy's unpatriotic crusade to keep traitors out of government: the book, McCARTHY AND HIS ENEMIES, which sloughed up quite a disturbance--because, as all of us who believe in cultural freedom know, to have any validity at all, any book about Mc Carthy should oppose Mc Carthy. Pro-Mc Carthy books should be burned, which is what we managed to do with Buckley's on the "Terror From Wisconsin." Well, all right - we didn't literally burn it. We simply ignored it, which adds up to the same thing.

But Bill has become obsessed with "facts" and "logic." It was tragic - really, watching the decay of what had been originally a beautiful intellect. All of us tried talking to him. Facts can be dangerous, we told him. They can lead to uncomfortable conclusions. Look what happened to St. Thomas More, - for instance. The correct posture, we insisted, is firmness coupled with flexibility; firm theories, flexible facts. But, Bill could never see things quite that way.....

And, so we come to this present work: Up From Liberalism. As one might expect of a conservative, it is completely negative - full of "religious" overtones in its approach to present day problems. Bill is just "Against" everything: he is against - national bankruptcy, against regimentation, against a planned society, against ath-

eism - he is even (and I cringe with embarrassment at the exquisite bad taste of it) against "sin."

In fact, this last brings up a very delicate matter. Bill insists that man of our current problems are basically religious. But, let's face it, religion is something that just is not mentioned among people of real sophistication these days. Bring up religion, and the first thing you know, people will suspect that you haven't read your Marx and Freud.

Even so, Buckley plows wantonly on with all sorts of palaver about a human nature "wounded" by what he calls "original sin" - thereby, stultifying both himself and his work, for there is not a thing wrong with human nature that can't be healed by Ph. D. ed sociologists from accredited state universities. If we would only give them the chance.

It is when he discusses McCarthyism however, that Buckley really betrays his prejudices. We can all recall the "Pall of Fear," as Mrs. Eleanor Roosevelt aptly phrased it, covering this country during those unhappy years; the paddy wagons backed up to the faculty houses in Cambridge, New Haven, Ithaca, and Providence, the files of professors being led out, manacled but serene, to be flung into their cells at Lewistown, Sing Sing, and Alcatraz, and the universal jubilee that attended their release when McCarthy finally met his downfall. We remember, too, the many presidents of great universities fired for their devotion to free speech.

It was a terror that reached into every corner of the land, from Toots Shor's to Le Pavillon, and from Harvey all the way down to the Colonial Room at the Shoreham. If you were so much as seen glancing at Joe Alsop's column, or Walter Lippmann's, you were trailed by the F.B.I. Even I felt called on to

(Cont'd. on Pg 3)

(Cont'd from Pg 2)

stash my recording of the Nutcracker Suite downstairs behind the sauerkraut crock.

There was one wealthy industrialist who planned to endow a cell in the Lubianka Prison for the re-education of bullheaded Roman Catholic bishops. This poor man got so frightened by the spirit of the time, that "pall of fear" that Mrs. Roosevelt described, that he never did get around to implementing his original plan. Instead, he found a little pressure group that is working toward the regular and compulsory infusion of epsom salts into municipal reservoirs all over the country.

But there is one chapter in Buckley's book that is made up out of whole cloth, very whole cloth. It purports to tell how one Joseph L. Rauh, Jr., Chairman of the Liberal, and highly respected Americans for Democratic Action, was gulled, swindled, made a fool of, and almost sent to jail for his efforts to trap the fiendish McCarthy.

Buckley claims that Rauh fell for a pack of lies - paid \$8,500 for the nonsense--culminating in the allegation that McCarthy and his staff had amassed an arsenal of pistols, lugers, and sub-machine guns in the basement of the Senate Office Building. The stories were all ready for publication in the "Washington Post," according to Buckley, when the bottom fell out of the whole deal and Rauh ended up in court trying to explain his part in the Fiasco.

Now I contend that Buckley made all this up - 15 pages of his book because I can find not one word of it in Richard Revere's encyclopedic study of Senator McCarthy, recently published, and we can be positive that a certified blue-ribbon Liberal like Revere would not hesitate to publish anything so closely related to the McCarthy story merely because it might damage the Liberal cause.

In summary, within 204 pages Bill Buckley tried to upset the established thought of Liberalism, which is founded on Lassalle, Fourier, and Saint-Simon, and, in our day, of Oliver Wendell Holmes, Jr., Justice Brandeis, and Edmund Wilson, yes, even of Adolf Hitler himself, who, after all, enunciated and fairly successfully implemented one of our most cherished Liberal convictions: "It goes without saying," Adolf once remarked, "that only a planned economy can make intelligent use of all a people's strength."

Buckley still tries to defend such mouldy old concepts as "individual freedom," "Objective truth," "Original sin" - not just in its theological aspect, I hasten to add. But, Buckley makes the uncouth and downright divisive attempt, in this happily mixed community of ours, to apply this ancient dogma to social and economic thinking.

What's more, he doesn't hesitate to take on anybody--even such a renowned thinker as the eminent Prof. John Kenneth Galbraith, or a social theorist as profound in her philosophy as Mrs. Eleanor Roosevelt. Buckley just wades in and lets them have it--much to his own satisfaction, if not ours.... His writing offers a unique instance of brash, unmitigated impudence. His book deserves to be ignored--if not burned.

Seriously, I cordially recommend Bill Buckley's book to every reader of this column with at least a high-school education. Much of it is easy, even, hilarious reading. Much of it requires concentration. But all of it is rewarding. I started reading it at 10:00 a.m. and could hardly put it down until I had finished it at 4:30 p.m. that same day.

Should you doubt the validity of Fr. Ginder's satire, give Buckley's book to one of your Liberal friends or professors and ask him to comment.

The following is taken from the fly-leaf of Mr. Buckley's new Book, Up From Liberalism.

"Mr. Buckley, editor of 'National Review,' first provoked public attention by his best-selling book, God and Man At Yale, published in 1951. God and Man At San Diego State College would have been equally appropriate, to say the least; in fact, read it and compare. In it Mr. Buckley raised the urgent and searching question, 'what are today's students being taught?' The book was probably the most widely reviewed book of the year.

"As editor of 'National Review,' Mr. Buckley has brought together a team of the greatest conservative writers in America, including Whittaker Chambers, John Chamberlain, James Burnham, Willmoore Kendall, Russell Kirk, Frank Meyer, and Bret Bozell. [It is interesting to note that one SDSG professor who is now taking subscriptions for such Liberal publications as 'The Manchester Guardian' and 'The Reporter' has refused to suggest the 'National Review' to his students, even at a special rate; his reason: 'It's not very good!']

"Mr. Buckley is a well-known and challenging speaker and debater who has lectured widely over the United States, and has appeared on television and on radio programs. [According to 'Time' he recently 'balled forth to slay' Mr. Liberal himself, Prof. 'Welfare-state' Schlesinger, Jr. in a debate.]

(Cont'd. Pg 4)

"Born in New York in 1925, Mr. Buckley spent years in studying in England and France. He served in the army during World War II, and entered Yale in 1946, where he was chairman of the college paper. He graduated from Yale with honors, in 1950."

#### AN EXPOSITION OF PURPOSE

-by-

Leonard P. Wessell, Jr.  
President of Students For Freedom

Earlier this school year a new organization was accepted on the San Diego State College Campus. Subsequently a new publication was, and is, being distributed to the students of this campus and others. The organization and publication are respectively named Students for Freedom and "Evolve." As a result of "Evolve's" distribution there has been elicited some reaction both pro and con here on campus and in the general community. A few have expressed a certain amount of consternation, confusion, and a lack of comprehension as to precisely what "Evolve" purports to accomplish.

At the risk of sounding redundant, it can safely be stated that today we live in a world of problems that must be solved if a reasonable degree of peace and harmony is to be attained. Today, as never before, there are more problems that concern the well-being of all mankind, not just isolated individuals or groups, and which therefore demand the attention and energy of all. All one must do is to turn on the radio or TV, read the newspapers or open a book and immediately he finds himself confronted with problems. No one is exempt from his or her responsibilities. This particularly includes students as they will most probably be the leaders of the future. But in order to solve a problem an individual must first know with reliability what the conditions are that pertain to the question at hand. The members of Students for Freedom, in order to discharge their responsibilities to the world, to the community, and to their fellow students have undertaken the publication of "Evolve" for purpose of informing the students in particular and the community in general as to the nature of today's problems and their needed solutions.

There are many things that threaten one's well-being, nay, even one's very life. Normally, such afflictions are called diseases. There are mental and physical diseases. People are subjected to the dangers of cancer, polio, neurosis, psychosis, etc., ad infinitum. To survive one must have at least some basic knowledge as to the nature of one's possible afflictions.

At SDSC there is a course required of all college students named "Principles of Healthful Living 21." This course is "An application of modern knowledge to the development for understandings, attitudes and practices essential to healthful living." The purpose of the course is to acquaint the student with the ever present problem of disease. The student learns about food, drugs, diseases, mental health, and other subjects concerning healthy living. The student also learns to value and develop sound habits as a means of obtaining a sound mind and a healthy body. The college officials should be commended for their attempt at helping the student to gain the knowledge necessary for maintaining a full life free of disease.

However, today there is a disease that is very prevalent in the world which shows signs of being extremely contagious, especially to the unwary. This disease afflicts and destroys both the body and mind. This curse is Communism. Despite the fact that we live today in a world that has witnessed the growth of this disease from a localized malignancy to an ever spreading epidemic or cancer, THERE IS NOT ONE SINGLE GENERAL EDUCATION COURSE REQUIRED AT SDSC that concerns itself primarily with this problem. True one picks up tid-bits here and there or, if one is a major in history or political science, one will sooner or later delve into this problem. But as far as the mass of students go,

this subject remains in its nebulous setting. The formation of such a course elicits difficulties, for a few professors who might possibly be in the position to teach the course have expressed in varying degrees their doubts as to the dangers of Communism. It seems that so-called indigenous "Fascism," anti-Communism movements, and the enemies of a perverted definition of "civil liberties" (or rather "civil license") are the supposed areas wherein lie true threats to human security, happiness and dignity.

The essential goal of "Evolve" and Students for Freedom is two-fold. In our opinion one cannot have the one goal without the other. Reciprocity is inherent in the concept of "to take a stand." We unequivocally take a stand against Communism and all ideas, practices or actions that further its practical and philosophical goals. As a natural result, we favor that which most effectively, both practically, and especially philosophically, is antagonistic to Communism. Therefore, we maintain and embrace, "Conservatism." "Conservatism" is a word that has various meanings to many people, and is deserving of some sort of definition. A more detailed account and exposition of our beliefs will be presented in subsequent articles. "Conservatism" as developed historically places emphasis on enterprise, tempered by definite moral concepts, opposition to monopolistic control, either private or governmental (it is to be noted that Communism, Fascism, or Socialism, Nazism, and modern "Liberalism" all advocate centralized monopolistic governmental control to similar degrees) and in certain unalienable rights given by and originating from God as opposed to rights given by and derived solely from the group, which is a belief expressed, and re-expressed by the philosophies of

"Liberalism" from Rousseau to our present day. This is a belief not rare on the SDSC campus. It is our belief that one's outlook on life (his philosophy) is a basic determinant in motivating him to act.

"Conservatism" embodies beliefs of a philosophical and practical nature, basically opposed to Communism and its belief in the "Social Ethic," which contends that the worth of the individual is completely derived from the group. (See William H. Whyte, Jr.'s The Organization Man, Pg 6 and 7.) We believe that "Conservatism" is the most effective means of motivating a person to oppose his greatest health

problem - Communism. It is interesting to note that there is no well known "Liberal" movement that has set out to oppose Communism. There has been in this city no "Liberal anti-Communism Crusade." All one hears is the oft-repeated liberal cry of warning, "If he is actively anti-Communist, he must be a fascist." Dr. Fred Schwarz has been referred to by some of our peers as an anti-Intellectual (See El Cajon Valley News editorial, September 22, 1960.)

The above is in no way meant to impune either the loyalty or sincerity of those who profess the beliefs of "Liberalism." The objections raised here are not against their personalities, but against their mental capability to oppose Communism effectively due to the crippling effects of "Liberal" beliefs.

"I fear nothing in this Universe but that I shall not know my duty -- or, knowing it shall fail to do it."

#### COMPLIMENTS

OF

#### GRACE LAWRENCE INTERIORS

(Cont'd from Pg 5)

"Liberalism" takes away the basic motivation to oppose the philosophy of Communism. Nevertheless, opposition to the Communist movement as directed by Moscow is exhibited on occasion. This opposition is elicited in part by the brutal methods of the Communists. However, a "gradualism" as advocated by John Dewey is not so readily opposed.

Historically, "Liberalism" has removed the emphasis from personal "soul-salvation" as determined by the rules given by God and emphasizes "social-salvation" as determined by rules (mystically) created by the group. Frank Meyer, a noted conservative, has summarized the objections to modern "Liberalism."

"1. That contemporary liberalism is an agreement with Communism on the most essential point - the necessity and desirability of socialism; 2. That it regards all inherited value -- theological, philosophical, political - as without intrinsic virtue or authority; 3. That, therefore, no irreconcilable differences exist between it and Communism - only differences as to method and means; 4. That, in view of these characteristics of their ideology, the Liberals are unfit for the leadership of a free society, and intrinsically incapable of offering serious opposition to the Communist offensive."

Historically, Conservatism has tended to place value on "Tradition"

as a needed quality for the preservation of society while "Liberalism" has tended to emphasize the need for change unfettered by tradition, either moral (if the advocates of "Liberalism" will ever accept the idea of objective morality) or by social tradition. This dislike has encouraged many unsound ideas to be fostered and that which is socially harmful to be put into practice.

Historically, "Liberalism" has been the mother of at least three of the modern scourges. These curses, or delinquent off-springs, are: Communism, Fascism, and Nazism. Some of the roots of Fascism and Nazism and Communism were developed in the early 1800's in Germany by the Liberals of that area. These particular Liberals have a historical, philosophical, and ideological connection with the entire Liberal movement. The same deficiency and inadequacy of "Liberalism" then, are still present in modern Liberalism. For a more detailed account of the origins of the racist and nationalistic ideas of Nazism and the causes, see Conservatism Revisited, and Metapolitics: From the Romantics to Hitler, by Professor Peter Viereck.

(Professor Viereck emphasizes the fact that it was under the German Liberals that extreme nationalism and racism began to develop as opposed to the anti-racist internationalistic conservative government of Metternicht.)

In order to be truly educated one must be well acquainted with all sides of important questions. It is the opinion of the members of the Students for Freedom that there is a definite lack of the conservative viewpoint on the SDS campus. This is one reason for the publication of "Evolve."

In evaluating the above statements it must be kept in mind that the author has been writing in generalities. The "-isms" mentioned were presented not with detailed analysis, but as generalities. Also, it must be remembered that basically, "-isms" were criticized or promoted - not personalities. All "Liberals" are not necessarily promoters of totalitarianism. Historically speaking, many "Liberals" have and are contributing valuable ideas towards the development of man. Many Liberals have promoted needed "social reforms" while many conservatives have lagged behind. The quarrel here is not with the person, but with so-called modern "Liberalism." In-so-far as a person furthers action detrimental to society, that person must be opposed to that degree.

(Cont'd. on Pg 7)

### An Exposition of Purpose (Cont'd from Pg 6)

"Evolve" attempts to accomplish the above by presenting articles that fall into two categories. These categories are not absolute, only helpful. Articles are divided into philosophical and practical categories. "Philosophical" refers, in this case, to ideas or thoughts, whereas "practical" refers to specific incidents and situations either recent or further removed which constitute examples of the problems one faces today. In the past as well as in the future, "Evolve" has carried articles, and will carry articles in these basic categories.

In summary, we, of Students for Freedom, and "Evolve," have a purpose and a reason for life; a vision as to what we want to accomplish in this life; we shall attempt to meet our responsibilities to God and man by having the fortitude to present our views on the solution of the worlds problems.

### OPERATION TIJUANA

Remember the Place and the Face

By Irene Wessell

As college students we are familiar with the poverty, disease, and the many dirt roads which encircle the city of Tijuana. We are aware of the small children with long black, disheveled hair, and dirty hands tightly clutching small boxes containing chewing gum. We have evidenced men and women poorly dressed; whose eyes reflect the conditions under which they live.

This city is one of the oldest cities along the West Coast. The country of which it is a part was founded before our country. Yet, look at the difference between the two nations. (It cannot be said that Mexico City is representative of the miles of vast barren lands where people dwell in less than shacks.)

Our country has afforded us with more than what is necessary and has given us freedoms, even though they are abused.

Today there are those who attempt to degrade our Constitution as well as other American traditions which have made this nation one wherein we live without fear. If these people would exert more energy and examine conditions in other nations perhaps they would learn that it has been the provisions of our Constitution which have enabled us to become strong and to provide us with the incentive to help other nations less fortunate.

Recently, an article was published under the auspices of the United Nations explaining why it is successful in giving aid to foreign nations. The statement is made that needed utensils are given to the people of the underdeveloped lands by those who have examined the problems of that area. Our country expends more money to support this program in the UN than any other country and yet our form of Constitutional government, based upon freedom and not security, does not receive due credit.

Let's prove to the collectivists, socialists, and welfare statisticians that we as individuals will contribute to the destitute of other nations without being bled by the federal government to do so, and that we have the initiative to carry out our own program without the expense of bureaucrats.

Take positive action. Help to strengthen relations between the two cities. Help the citizens of Tijuana realize that we are aware of their needs and will try to help them as representatives of the college and of the United States.

UNITED STATES NATIONAL BANK

THE CUBAN SCENE

by

Michael English

On January 26, I visited the home of a Cuban family in Old Town. The man of the house, Severo Monal, was born in Havana in 1906, and he and his wife lived in four of Cuba's six provinces. For eighteen years, the family lived in Cardenas. They revisited Cuba for some weeks, and then returned to the United States last August. I asked Señor Monal several questions about many of the claims made against the United States by Castro. Here are some of his answers:

1. Q. Is Castro justified in his anti-American speeches and claims?

A. No. Castro is a Communist dupe. He must follow orders from Moscow. Señor Monal added that he felt the United States should not return Guantanamo Bay to Cuba, since we had given Cuba independence from Spain. He feels that the United States needs Cuba for defensive purposes, and that if the United States returns Guantanamo, the moral effect would be disastrous.

2. Q. Is the U.S.S.R. and/or Red China supporting Cuba and Castro?

A. "Yes, especially China. Both countries are, but there are Red Chinese walking the streets of Havana."

3. Q. How do the Cubans feel about Castro?

A. "At first, they gave him almost unanimous support (except for the few Batista supporters). But now, probably only 10% of the people support Castro." Señor Monal says that the Cubans are the most liberty-loving people in America. When they revolted against Batista, they didn't want to trade one dictatorship for another. He said also, that all Latin American countries need the United States for protection against Communism. In Cuba's case, she needs the United States in case some other large foreign nation invades her shores. Señor Monal feels that Cuba can handle other countries of similar

size, but alone would have no power against the likes of the U.S.S.R. or Red China.

4. Q. Would Cuba accept Soviet rule?

A. "No, they wouldn't accept the rule of any foreign country. The Cuban government is different from the Cuban people." Señor Monal says that we "should" hate the present Communist form of Cuban government, but not the Cuban people, just as we distinguish between Soviet Dictatorship and the Russian people. He states further, that before Castro's rise to power, the Cuban peso was equal to one U. S. dollar, but now one dollar is equal to four pesos.

5. Q. Do Cubans feel that the U. S. is imperialistic?

A. No. The fact that the U. S. gave Cuba back after the Spanish-American war shows that there are few imperialistic intentions. Señor Monal says that the chief complaint or disturbances along these lines is caused by envy toward the United States. He feels that our organized system is far superior to most other American systems.

6. Q. What future do you see for Cuba?

A. Señor Monal hopes that President Kennedy will encourage counter-revolution, and will give needed United States arms to Cuba to overthrow Castro. He also feels that the United States should stand by in case other foreigners attack Cuba. It is Señor Monal's personal opinion that violent revolution is immediately needed to overthrow Castro. He feels that Cuba does need material help and advice but does not need U. S. soldiers unless they are requested. The reason for the need of immediate revolution is that Castro is liquidating or imprisoning all who oppose him.

7. Q. Who supports Castro most. Workers, students, businessmen?

A. The common people are the most active and loyal supporters. According to Señor Monal, the educational system is highly infiltrated with Communists or fellow travelers. He is not sure that students are very

active, although they used to be. However, many students do oppose Castro. At Sagua de Grande, the Student Body President, Porfirio Ramirez, was executed because he spoke out against Castro.

## 8. Q. How does the Church stand in Cuba?

A. Cuban Catholics are not too strong. There is not much Church attendance, since the main Church support comes from the old people, mostly women. He pointed out that Castro says, anti-communist priests are fascists.

## 9. Q. Who are the refugees that come to the United States?

A. Everyone who can is leaving Cuba, especially the professional people. They are afraid. Why? Because Castro wants to educate children away from home influences so that they will be good Communist citizens. Most poor people cannot come to the United States, but they would if they could. Señor Monal said that many of the "immigrants" here for asylum are Castro spies. A frequent result is that sincere people are afraid to say anything. (This is similar to the situation with the Hungarian immigrants.)

Señor Monal and his wife knew of Fidel Castro when he was a youth, and they say that he has always had a reputation of being a dynamic, active person, who was always revolting against authority, unless his own. Señor Monal concluded his conversation by stating that he had read J. Edgar Hoover's MASTERS OF DECEIT, and he feels that it should be read by every American; both North and South, to really understand the Communist threat. Señor Monal is a teacher of Spanish in the Sweetwater Union High School Adult Education District. The preceding views are those of an educated Cuban who loves his country. I am forced to agree with him that people who don't like our United States system should leave and live in another country. Señor Monal loves Cuba, but not Castro's Cuba.

## LETTERS TO THE EDITOR

Dear Sirs:

(1) One thing about your publication, it has a stimulating effect. (2) Now, then, you call yourselves, "Conservatives." Just what are you trying to conserve? (3) Your latest feature article was a typical rehash of the American Mercury school of New Deal haters. (4) Its only possible effect would be to create undue suspicion of our Federal Government by distorting the relationship of the innocent, such as Acheson and Dulles, with the guilty such as Hiss and White, and by equating possible errors of judgment with overt acts of subversion. (5) Your footnotes are copious but the mere presence of "documentation" adds not an iota in the balance of truth and falsehood. (6) Are you aware that several rather large worms have been found in the Federal apple since 1953? (7) Does this mean that our government is permeated with dupes? (8) The way of all modern nihilists, from Stalin to Hitler to Castro, is to attempt to demoralize the populace by fantastic exaggerations of the extent of subversion. Evolve has some skill in this sort of roundhouse denunciation, but is this "Conservatism"? (9) Is Evolve therefore, evolutionary?

Very Sincerely,  
Daniel L. Rader, Ph.D.  
Department of History  
San Diego State College.

## EDITOR REPLIES:

Dear Doctor Rader:

Since you have made several accusations, and posed many "questions," I have taken the liberty to enumerate the latter.

First, let me compare sentences (1) and (3): How could our publication be merely "a typical rehash" and still have a "stimulating effect"? Certainly such banal trivia could not possibly interest an intelligent progressive!

As to (4), would it be equating "possible errors of judgement" with overt acts of subversion" to demand dismissal of those responsible because of incompetence? This had better be decided by "freedom-loving" Liberals - the Free World cannot take many more Yalta's, Potsdam's or unheeded "Bogotazos."

I am put at a loss as to how to interpret statement (5) and also do you justice. What you seem to be stating is: "My mind is made up. Please don't confuse me with facts."

As to statements (6) and (7); - -

certainly you must be aware that it only requires one subversive in a key position to endanger the lives of many. Numerical size loses all significance when one realizes that one "Benedict Arnold" can give the enemy such things as A-Bomb detonators, etc. This opinion was stated much more eloquently by the presiding judge in the Rosenberg trial. He expressed great dismay that the treachery of the Rosenbergs may have been the main, or at least one of the most critical causes for the loss of 50,000 American lives (not to estimate the loss on the part of the impoverished South Koreans). But to use your own analogy, Doctor, how many worms does it take to destroy an apple?

In reference to (8) I would like to point out that there is another side to the coin: After they are entrenched in power, the path of all modern nihilists from Stalin to Hitler to Castro, is to attempt to demoralize the populace by accusing all critics of being "enemies of the State!"

In (2) and (9), you query: "What is "conservative" or "evolutionary" about "Evolve"?"

As members of Students for Freedom we are attempting to generate a desire, on the part of our colleagues, to "evolve" from the materialism, relativism, and "ant-hillism" of "modern" retrogressive "Liberalism." We reject the Liberal hypothesis embodied in the so-called "Social Ethic": "... that contemporary body of thought which makes morally legitimate the pressures of society against the individual. Its major propositions are three: A belief in the group as the source of creativity [the Liberal's new god]; a belief in "belongingness" as the ultimate need of the individual [the Liberal's new Heaven]; and a belief in the application of science to achieve the belongingness [the Liberal's new source of supernatural strength]... Man exists as a unit of society. Of himself, he is isolated, meaningless [take note, ye Liberal "individualists"]; only as he collaborates with others does he become worthwhile, for by subliminating himself in the group, he helps produce a whole that is greater than the sum of its parts [the Liberal's nirvana]." (Quoted from The Organization Man, P. 7 & 8).

What then are we trying to conserve? This: "We hold these truths to be self-evident [not relative!] that all men are created equal and that they are endowed by their Creator with certain unalienable rights [from God, not from a whimsical Security State] that among these are life, liberty [not security] and the pursuit of [not conveyance to] happiness.

## TO THE EDITORS OF EVOLVE:

As I go about the many tasks confronting me in arranging to be out of the country a year or more, I fear I shall neglect the pleasant duty of congratulating you and your staff upon the conservative stand you are taking in your publication, the first of such campus publications, I hope.

Since so many theories have had their hey-day, on college campuses, it is heartening to me to know that a group of young Americans are thinking as Americans, the defenders of the Constitution. You will be criticized and maligned; but do not be silenced! There will be those who will even, in the name of pseudo-patriotism, lash out against you for pointing out the errors of the men in government and in the Supreme Court. But these people forget that the quickest way to dictatorship is to silence criticism and cover up mistakes.

We cannot afford many more mistakes in judgement in high places. As this is a fight for survival, you will I know, by careful documentation, present the truth as nearly as possible.

Abraham Lincoln, an honored name in American History, did not hesitate to disclose the truth and even to criticize Judge Taney of the Supreme Court. He was much ridiculed by the opposition.

As a conservative, you are fighting to save the Constitution, the preserver of our liberties, which still is the only thing that can save us from this tide of authoritarianism and statism, so beloved by pseudo-Liberals, who would bring an era of perfection by destroying us as human beings, as individuals.

Sincerely yours,

Mary C. Barnes, Ph.D.  
(Yale University)

## OPEN LETTER TO PUBLISHERS OF "EVOLVE"

"Freedom, though a heritage, must be rewon with each generation," so says J. Edgar Hoover, Director, Federal Bureau of Investigation.

You who publish EVOLVE have taken the step. You have proven by your publication that what Mr. Hoover says is true. You echo once more the words of all men and women who believed in freedom, through each generation and through all eternity. In the beginning there was only a paucity of Americans who fought for freedom and yet, that paucity grew in number until they evolved into great numbers and there came the glory of freedom. And from freedom's song came two of the greatest instruments for freedom ever known, to us, The Declaration of Independence and the Constitution of the United States.

We commend you on your publication and your singleness of purpose. We commend you for your resolve to remain independent of such organizations as the American Civil Liberties Union. We hope that through circulation of EVOLVE, each person who calls himself an American, will re-dedicate themselves to freedom and thru this renewed devotion, will declare individually their own private war on Communism.

EVOLVE is truth and truth is freedom. You shall know the truth and the truth shall make you free.

Sincere personal regards

Mr. & Mrs. Forest J. Stille

# I Love Mur!

----- Compiled by Editor

The words are constant: "Ya khochoo mir!" And before these Russian words have warmed the air in the dreary conference room, our translators render them into English: "I want peace!" "Yes, I, Premier Khrushchev, want peace!"

But the Russian phrase "Ya khochoo mir!" can be translated other ways; the word "mir" in Russian has two meanings: (1) "peace", and (2) "the world". Which does Comrade Khrushchev mean? Does he mean "I want peace!" or "I want the World?"

Today one hears so much of "understanding" the Communist bosses: we are not to be so "dogmatically" against making deals, going to summit conferences etc.; we should, we are told, not "ignore" the "people" of China i.e. we should allow Red China to join the United Nations--the "peace-loving" nations.

Thus, in order to further the "understanding" which must precede peace, I have attempted to assemble data on the major pledges the Soviet Regime has made --and the subsequent manner in which these pledges were fulfilled.

Unless otherwise stated, all data has come from the pamphlet entitled "Soviet Political Agreements and Results---Staff Study for the Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws of the Committee on the Judiciary, United States Senate, Eighty-Sixth Congress, First Session." (United States Government Printing Office, Washington: 1959.) All statements listed under "WORDS" and "DEEDS" are either paraphrases or direct quotes from the above-mentioned document.

The accompanying pictures are reproductions from the pamphlet "Lest we forget! A Pictorial Summary of Communism in Action (in) Albania, Bulgaria, Rumania, Committee on un-American Activities, House of Representatives, Eighty-Sixth Congress, Second Session, January 13, 1960"

Frequently quotes have been included identifying certain of our representatives of being either "logophiles" (lovers-of-words) i.e. those who judge the enemy by what he promises, or "factophiles" (lovers-of-deeds) i.e. those who judge the enemy by what he does.

I sincerely hope that this compilation will shed light on the dilemma of what Premier Khrushchev means when he pleads: "Ya khochoo mir!"

Many Americans have been imprisoned in the Soviet Union without trial or after patently unfair trials, e.g. Homer Cox and John Noble were kept in slave camps for 4 and 10 years, respectively. Both reported meeting many other Americans in such camps, some of whom presumably are still there.

WORD: Dec. 1941 - Soviet Regime organized a Moscow dominated Polish Government in the Soviet Union. This developed into the Polish Government; Apr. 25, 1943 - Soviet Regime severed relations with Polish Government-in-Exile and on January 5, 1945, recognized the Lublin group to be the Provisional Government of Poland. July 1944 found the Red Army at the Vistula River, across from Warsaw, urging the people to revolt and drive out the Nazis. After bitter fighting, the Poles, with only occasional assistance from the Red Army in the form of artillery, succeeded in liberating the city. Immediately the Red Army withdrew, leaving the city exposed to the Nazi counter-attacks. The government in exile appealed to Stalin for help; not only was this refused but Allied aircraft aiding the underground were refused landing facilities in the Communist-occupied territory. As a result of this Communist duplicity, 250,000 of the underground and home army had been killed. Uncounted thousands starved to death as the Soviets not only sent no ammunition, but also no food. Later, the bodies of 4,143 of about 15,000 missing Polish Officers were found in mass graves outside Katyn. The Special House Committee on Communist Aggression established that they had been massacred by the Soviet NKVD. Between 1,500,000 and 1,600,000 Polish citizens were deported to the Soviet Union--largely still unaccounted for.

LOGOPHILE: A new situation has been created in Poland as a result of her complete liberation by the Red Army.

--Franklin D. Roosevelt  
February 11, 1945

WORD: Jan 29, 1942 - Soviet Regime, United Kingdom, and Iran signed a treaty of alliance at Teheran. In this treaty the Soviet Regime agreed to give full consideration to the essential needs of Iran which defending Iranian territory and to "disturb as little as possible the administration and the security forces of Iran, the economic life of the country, the normal movements of the population and the application of Iranian law and regulations." The Soviet Union also agreed to withdraw its armed forces from Iran "not later than six months after all hostilities between the Allied powers and Germany and her associates have been suspended by the conclusion of an armistice....or on conclusion of peace between them....."

DEED: 1945-1946 - Soviet Regime violated all these provisions; (1) by preventing Iran from exercising control over the Province of Azerbaijan; (2) by encouraging the Kurds and Azerbaijanis to revolt against the Central Government; (3) by failing to withdraw its troops from Iran on March 2, 1946; and (4) by introducing additional troops into Iran and deploying them toward the Turkish and Iraqi frontiers during the month of March 1946.

LOGOPHILE: I believe he(Stalin) is truly representative of the heart and soul of Russia; and I believe that we are going to get along very well with him and the Russian people--very well indeed. (cont on pg. 17)

--Franklin D. Roosevelt, after Teheran

THAT, TO SECURE THESE RIGHTS, GOVERNMENTS ARE INSTITUTED AMONG MEN DERIVING THEIR JUST POWERS FROM CONSENT OF THE GOVERNED. . . . .

**WORD:** June 11, 1942 - Soviet Regime and United States reached an agreement on Lend-Lease. United States agreed to supply the Soviet Regime with defense articles, services, and information. The Soviet Regime agreed to provide information to the United States. The Soviet Regime was to return to the United States (at the end of the war) all undestroyed defense articles.

**DEED:** The United States has tried several times over the years to obtain at least token payment from the Soviet Regime for the billions given her during the war years from the United States Treasury. The most recent United States proposal made in January 1951, was that the Soviet Government pay \$800 million in settlement of its lend-lease account. The last offer of the Soviet Government, made in August 1951, was to pay \$300 million. No progress has been made on this aspect of these negotiations since that time.

**WORD:** Oct. 1930, 1943 - Soviet Regime, United Kingdom, and the United States held the Moscow Conference which had as its main purpose the maintenance of peace and the political economic and social welfare of the populace in general.

**DEED:** (Please refer to "Deed" listed under Yalta Conference, Feb. 4, 1945; United Nations' Charter, June 26, 1945; Potsdam Conference, July 17, 1945.)

**WORD:** Nov. 3, 1943 - Soviet Regime signed the "Agreement for United Nations Relief and Rehabilitation Administration", under which the signatories agreed to give aid, relief, and shelter to populations suffering from the ravages of war; to prepare and arrange for the return of prisoners of war, etc.

**DEED:** Mikhail Menshikov (present Soviet Ambassador to the U.S.) was the target of a strong protest to the White House by the House Foreign Affairs Subcommittee in 1946 where he was attached to the United Relief and Rehabilitation Agency (UNRRA) and, as such, directing its operation in Poland. The Subcommittee, which had visited Poland in Aug.-Oct., 1945, charges that Menshikov used his post to channel UNRRA Food and other supplies exclusively to Polish Communists and their allies.

**LOGOPHILE:** I would minimize the general Soviet problem as much as possible because these problems, in one form or another, seem to arise every day and most of them straighten out.

--Franklin D. Roosevelt; April 1945

**FACTOPHILE:** We are looking potential catastrophe in the face--a Bolshevik Russia, with the largest victorious army in Europe, dictating the peace; a partially bankrupt and semi-Bolshevized England cooperating in an alliance, the United States being allowed to finance that alliance. In the United States, some of our planners visualize a personal Utopia under which nearly everything is subsidized; all the people of the United States bonused or pensioned--the cost of which is to be suckered out of accumulated wealth and business. That would mean the end, surely, to the American system of economics; the rapid decline in the purchasing power of the dollar, both at home and abroad.

--William LaVarre, Feb. 19, 1944 in his report to the U.S. Senate

**WORD:** Nov. 22-26, 1943 - United States, China, and Great Britain held the Cairo conference. It was later subscribed to by the Soviet Regime when it declared war on Japan on Aug. 9, 1945. The conference declared that the territories seized by Japan were to be returned to the Republic of China.

**DEED:** Soviet Regime later unilaterally seized and continued occupation of the Hainan Island, Shikotan, and the area adjacent thereto. Furthermore, in reference to China, "Soviet Russia supported the enemies of the Republic of China; so that the Chinese people find themselves today enslaved by a Soviet-dominated dictatorship. Industry in Manchuria was directly damaged to the extent of \$858-million during Soviet occupation. The greatest part of the damage to the Manchurian industrial complex was primarily due to Soviet removals of equipment. When Soviet troops left Manchuria, they allowed the Chinese Communists to take over substantial quantities of Japanese arms and assume control over the area."

**LOGOPHILE:** The Chinese Communists and their leader, Mao Tse-Tung, happen to have renounced years ago now any intention of establishing Communism in China in the near future. --Edgar Snow "The Nation", Feb. 17, 1945

(Compare this statement with the article he has just written in the January 31, 1961 Edition of "LOOK" magazine.)

**FACTOPHILE:** I am convinced the primary allegiance of the Chinese Communists is to Russia.... and their purpose is to make Russia overwhelmingly the strongest power in Asia. --Hon. W.H. Judd, March 15, 1945

**WORD:** Nov. 22-26, 1946 -- In the Cairo Conference, the conferees determine that "in due course Korea shall become free and independent."

**DEED:** According to the Foreign Affairs Committee of 1953, "North of the 38th Parallel, which has become a part of the Iron Curtain, the Soviet Union established a Communist Regime. The formal creation of this Regime, the so-called Democratic People's Republic of Korea, claiming jurisdiction over the entire country, was proclaimed on Sept. 9, 1948. This aggressor regime has lived, as it was created, in complete defiance of the UN under the domination of its master, the Soviet Union." Furthermore, this regime, "with the obvious sanction and support" of the Soviet Union attacked South Korea. 50,000 American boys lost their lives in the Korean War.

**LOGOPHILE:** The world is closer to peace now than it has been in the past five years. --President Truman, June 21, 1959

But what may well have triggered my removal was my recommendation, made in January shortly before my relief, that a treason trial be initiated to break up a spy ring responsible for the purloining of my top secret reports to Washington. My campaign plans, including those of the 8th Army, were transmitted daily to Washington. Gen. Walker complained constantly to me that the enemy was receiving prior information of his movements. We could find no leaks in Korea or Japan. Then suddenly one of my dispatches concerning the order of battle was published in a Washington Paper within a few hours of its receipt. I insisted that those responsible be prosecuted in order that such subversive activities be stopped, but the case was never processed and I was shortly relieved of my command. --General Douglas MacArthur.

**FACTOPHILE:** We were REQUIRED to lose the Korean War. Lt. Gen. G. Stratemeyer, USAF.

When asked (in 1953) if he knew, when he appointed Harry D. White as director of the International Monetary Fund on Feb. 6, 1946 that the FBI had sent a memo to the White House exposing White as a helper of the Communist spy ring. Pres. Truman answered: "I don't recall that such a thing happened. As soon as we found out that White was wrong, we fired him." --Harry S. Truman, November 6, 1953

(Ten days later he changed his story. He said, "A lengthy FBI report on this matter was sent to the White House in Dec. 1945" With this FBI information on his desk, Truman wrote a letter to White on April 30, 1946: "In your new position you will add distinction to your already distinguished career with the Treasury.")

As far as we know, there was "nothing in the State Dept. files to indicate that Mr. Hiss was ever suspected of being a Communist."

**LOGOPHILE:** --General George C. Marshall, Aug. 4, 1948

(J. Edgar Hoover had recommended Hiss dismissal from the State Dept. in 1946. The State Dept. Security Committee had recommended Hiss' discharge on July 22, 1946)

**WORD:** Sept 12, 1944 - A Protocol on the Zones of Occupation in Germany and the Administration of "Greater Berlin" area was signed by the Soviet, American and United Kingdom representatives of the European Advisory Commission. This Protocol provided that Germany will be divided into four zones, each under the occupation of one of the four powers, and a Special Berlin area, which will be under joint occupation of the four powers. In June 1945, Gen. Lucius D. Clay "concluded an oral arrangement with Soviet officials for access corridors to Berlin from the three western zones of occupation."

**DEED:** According to Rep. Holman, this agreement was clearly violated by the Berlin blockades of 1948 and 1949. Soviet actions precipitating the 1959 Berlin crisis appear designed to force a revision of these arrangements." Nov 27, 1959--the Soviet Regime notified the U.S. Government that the Soviet Union considered the above agreements, and all supplements thereto to be null and void. Dec. 15, 1959-- The Soviet note was released to the press by the Dept. of State. The Soviet Government indicated that unless the three Western Allies accept this Soviet proposal within 6 months, the Soviet Union will consider itself free of its obligations to them with relation to Berlin." June 2, 1959 - In the midst of the blockade of Berlin, the Soviets partitioned the former capital of all Germany, placed East Berlin under exclusive Communist control, and proclaimed it the capital of East Germany.

In Hungary, contrary to the agreement, the Soviet Regime, acting through the Hungarian Communist Party and its own agencies and armed forces in Hungary, unilaterally subverted the will of the Hungarian people to totalitarianism in negation of fundamental freedoms e.g. June 1946 - forced dissolution of Catholic youth organizations; Feb. 1947 arrested Bela Kovacs, member of Parliament, forced the resignation of Prime Minister Nagy, May-June 1947; refused to allow United States to help Hungary economically 1946; forced discriminatory economic agreements upon Hungarians. The same treatment was given Rumania.

FACTOPHILE: Stalin began the greatest subversive work that has ever been known in the history of diplomacy. It was a success not because of military power...but because of the weakness of the free world.

--General MacArthur

WORD: Feb. 4-11, 1945 - At the Yalta Conference, the United States, Great Britain, and the Soviet Regime agreed on measures for occupation, control and reparation concerning Germany; Poland; Yugoslavia; war criminals; liberated Europe; Japan; China; and reparation. It was agreed that the status quo of Outer Mongolia (i.e. the maintenance of the Republic of Outer Mongolia as an independent identity) should be preserved.

DEED: Feb. 27, 1946 - The Mongolian people's republic and the Soviet Union signed a military alliance and economic and cultural protocol. In Bulgaria, the Soviet Union has consistently refused to allow the people of Bulgaria to solve their political and economic problems democratically, e.g. in 1945, Soviet authorities unilaterally interfered in the internal affairs of Bulgaria's largest political party by demanding and obtaining the replacement of Dr. G. M. Dimitrov as secretary General of the Agrarian Union.

WORD: Feb. 4, 1945 - At the Yalta Conference an agreement was reached for the establishment of a strong, free, independent and democratic Poland. In order to accomplish this, "M. Molotov, Mr. Harriman and Sir A. Clark Kerr are authorized as a Commission to consult in the first instance in Moscow with members of the present Provisional Government and with other Polish democratic leaders from within Poland and from abroad, with a view to the reorganization of the present government along the above lines. This Polish Provisional Government of National Unity shall be pledged to the holding of free and unfettered elections as soon as possible on the basis of universal suffrage and secret ballot."

DEED: May 3, 1945 - At the San Francisco Conference, Molotov admitted that 16 Polish leaders who have been assured of their personal safety were arrested by the Soviet Government. Thus only representatives of the Soviet-controlled Polish Provisional Government were able to consult with the Moscow Commission.

LOGOPHILE: The Yalta Conference has laid the foundation of a just and durable peace. --Bernard Baruch

FACTOPHILE: It is the international-collectivist lawyers who have neutralized American military power and made our promises ridiculous before the world. --Senator William Jenner

WORD: Feb. 4, 1945 - At the Yalta Conference, an agreement was reached to recommend to Marshall Tito as President of the National Committee of Liberation of Yugoslavia, and Dr. Subasic, Prime Minister of the Royal Yugoslav Government formed on the basis of that agreement. This agreement said in effect that they agreed on respecting the people's will and "comply with the fundamental and general principles of constitutional government proper to all truly democratic states."

DEED: 1945 - Subasic and Sutej, nominees of the Yugoslavian Government-in-Exile were removed for the coalition government set up by the Yalta Conference. Their removal gave Tito and the Communists complete control of the country, regardless of the will of the people. (As of this year, Logophiles among us have induced the American people to give over two billions to Tito, apparently convinced that given enough "aid" he will buy a new ideology. --Ed.)

FACTOPHILE: A friend of mine was in Yugoslavia recently. In Belgrade a Communist party official pointed out to him a brand new hotel in which Communist dictator Tito was preparing to entertain the Communist dictator of North Viet Nam. It has been built entirely with economic aid from the United States. --Dr. George S. Benson

**FACTOPHILE:** We have given \$2 billion to Communist Yugoslavia, including much military equipment to kill American boys with when the Red Army marches. We buy all of our tungsten from Red China, when Bolivia and Brazil have plenty for our needs. --American Capsule News, Washington D.C.

**WORD:** 1945 - In the Yalta Conference, Soviet Regime agreed that China should retain full sovereignty in Manchuria.

**DEED:** Soviet Regime supported the enemies of the Republic of China so that the Chinese people find themselves today enslaved by a Soviet-dominated dictatorship (Also see under Cairo Conference Nov. 22-26, 1943)

**LOGOPHILE:** The United States...believes that peace, unity, and democratic reform in China will be furthered if the basis of (the National Government of China) is broadened to include other political elements (i.e. the Chinese Communists) in the country..... --Pres. Harry S. Truman, Dec. 12, 1945. (Notice what is happening in Laos. Notice what will happen to Laos. --Ed.)

**LOGOPHILE:** It has appeared to me that there is a definite liberal group among the Communists...men who would put the interest of the Chinese people above ruthless measures to establish a Communist ideology in the immediate future. --General G. C. Marshall, 1947

**LOGOPHILE:** The Chinese (Nationalist) Government is not....approaching collapse. It is not threatened by defeat by the Communist. The war with the Communists is going on much as it has been for the last 20 years." --Dean Acheson, March 29, 1947

**FACTOPHILE:** Soviet imperialism...using the Chinese Communists as instruments of Soviet power politics, is striving to reduce China to a status of a Satellite of the Soviet Union....In our self defense, therefore, we must act to prevent the Soviet domination of China and the eventual mobilization of Chinese manpower for war against us. --W.C. Bullitt, Oct 13, 1947 (1st Ambassador of U.S. to Soviet Union)

**WORD:** Apr. 21, 1945 -Provisional Polish Government and the Soviet Regime signed a 20-year friendship, assistance and postwar cooperation Pact.

**DEED:** June 28, 1956 - Workers in Poznan, Poland, struck and rioted against the depressed living conditions, continued presence of Soviet forces and the Polish Communist Regime.

**WORD:** June 5, 1945 - In the agreement regarding the defeat of Germany, Soviet Regime agreed that the allied powers were to determine future boundaries of Germany.

**DEED:** July 6, 1950 - Soviet-controlled governments of Poland and Eastern Germany signed an agreement determining the German-Polish frontier, without concurrence of other allied powers.

**WORD:** June 26, 1945: - Charter of the UN was adopted. It was ratified by the Soviet Regime (i.e. USSR) on Oct. 24, 1945. The purposes of the UN as stated in Article 1 were establishment of: 1. International peace and security. 2. Equal rights and self determination of peoples. 3. Cooperation in solving international problems--economic, social, cultural or humanitarian. 4. A center for harmonizing actions of nations for attainment of above.

Other violations are too numerous to be included here. --Ed.)

THAT, WHENEVER ANY FORM OF GOVERNMENT BECOMES DESTRUCTIVE OF THESE ENDS, IT IS THE RIGHT OF THE PEOPLE TO ALTER OR TO ABOLISH IT, AND TO INSTITUTE A NEW GOVERNMENT, LAYING ITS FOUNDATION ON SUCH PRINCIPLES, AND ORGANIZING ITS POWERS IN SUCH FORM, AS.....

Charter, perpetrated by the Soviet Regime is evidenced in the following resolution, adopted on Sept. 14, 1956 by the UN General Assembly. "... the conclusions reached by the Committee on the basis of its examinations of all available evidence confirm that: (a) The Union of Soviet Socialist Republics, in violation of the Charter of the United Nations, has deprived Hungary of its liberty and political independence, and the Hungarian people of the exercise of their fundamental human rights; (b) the present Hungarian regime has been imposed on the Hungarian people by the armed intervention of the Union of Soviet Socialist Republics; (c) the Union of Soviet Socialist Republics has carried out mass deportation of Hungarian citizens.

AS MIGHT BE EXPECTED, THIS DENUNCIATION WAS UNHEEDED BY THE SOVIET PEACE-LOVERS. THE PRECEDING IS MERELY ONE OF MANY SUCH EXAMPLES. INDEED, THERE HAVE BEEN SEVERAL MORE RECENT ONES, e.g. SOVIET REGIME (OPERATING THROUGH CZECHOSLOVAKIA) SENT PLANES TO THE CONGO WITH ARMS AND "TECHNICIANS" CONTRARY TO THE ORDERS OF THE UNITED NATIONS. THIS FACT SHOULD BE REMEMBERED BY ALL THOSE WHO BELIEVE THAT THE RED DRAGON CAN BE "TAMED" BY ALLOWING IT TO BECOME A MEMBER OF THE UN! CONTRARY TO WHAT "LOGOPHILES" AND OTHER "GULLIBERALS" MAY SAY, WE ARE NOT "IGNORING" THE CHINESE PEOPLE BY KEEPING THEIR JAIL-KEEPERS OUT OF THE UN - IF THE COMMUNIST PARTY IN EITHER RED CHINA OR IN THE REST OF THE SOVIET UNION WERE TRULY REPRESENTATIVE OF THE MAJORITY OF THE PEOPLE, THERE WOULD BE NO NEED FOR THE "IRON" OR "BAMBOO" CURTAINS. —Ed.

Commenting on Supreme Court Justice William O. Douglas' statement that Red China should be admitted to the UN, Congressman Walter Judd said, "Douglas thinks the same way as a woman who believes the way to change a brutish man is to marry him. There will be no benefits and there will be tremendous losses if we ever admit Red China to the United Nations." — Dec. 2, 1960

Khrushchev and Bulganin have been indicted before the bar of world opinion as responsible for the atrocities in Hungary.

— Gen. Carlos P. Romulo, Philippine Ambassador to United States.

**WORD:** July 17, 1945 — As a participant in the Potsdam Conference, the Soviet Regime agreed to the following resolutions: (1) There was to be uniformity of treatment of the German population throughout Germany. (2) Germany was to be completely demilitarized. (3) There was to be decentralization of political structure and development of local responsibility. (4) Freedom of Speech, press and religion were to be permitted, and religious institutions were to be respected. Free trade unions were to be permitted. (5) During the period of occupation, Germany was to be treated as a single economic unit. To this end, common policies were to be established in regard to transportation and communications. (6) Payments of reparations were planned to leave enough resources to enable the German people to subsist without external assistance. Similar provisions were made in reference to Austria, Poland, Hungary, Rumania, Japan, Korea, etc.

**DEED:** Every one of these provisions have been violated several times rather seriously, e.g. there have never been free elections in East Germany; there is certainly very little, if any, freedom of religion; local non-Communist parties have not been allowed to form; there is no freedom of press; the Berlin blockade, among other sundry measures has violated provision (5) above. Beginning in 1948 the Soviets have built up a sizable "police force" in its zone, arming it with military-type weapons and having it trained by former German Army Officers. In 1954, 140,000 German military personnel were under arms in the Soviet Zone plus a police force of 100,000. Of course, there are no unions which can in the slightest way be called "free." Perhaps the best indictment of the Soviet Utopia in Eastern Germany is the fact that so many refugees (100,000 in 1952 alone) have attempted to escape this Soviet Workers' Paradise.

The great giveaway closes the door on every bit of real talent for sound leadership the American People have exhibited in other crises of world history.... Our earlier efforts to do the right thing, and let world opinion follow, carried us to far greater heights of influence over the world than our present undignified race to give away American capital. — Senator William E. Jenner.

Our Atoms for Peace scheme is really "Atoms for War." Offering to share our atomic wealth is in a class with the Chicago Police Dept offering to share pistols and submachine guns with the Dillinger mob. -- Senator Joe McCarthy.

**WORD:** Aug. 8, 1945 - Soviet Regime pledged adherence to the Potsdam Declaration containing the following provisions: "The Japanese military forces, after being completely disarmed, shall be permitted to return to their homes with the opportunity to lead peaceful and productive lives."

**DEED:** 1949 - 376,929 Japanese prisoners of war were still detained in Soviet-controlled countries. Oct. 19, 1956 - Peace treaty was signed by the Soviet regime (of "Russia") and Japan. The Soviet Regime agreed to release 1,200 prisoners of war still held in violation of Potsdam Conference. According to Japan the count of prisoners still held was 11,000.

**FACTOPHILE:** There are two things worse, even, than war. The one is injustice. The other is a Bolshevik Peace! -- Arnold Leese

**WORD:** Aug. 14, 1945 - According to Christian Herter, then Under-Secretary of State, in reference to this provision: "...only the National Government of China which was the same government then as it is today under the presidency of Chiang Kai-shek should be recognized as the Government of China. The ink was hardly dry on the signature of the treaty before the Russians began to violate it. Here was a pledge for 30 years, yet within 2 months time it was violated in every conceivable way." **LOGOPHILE:** Cooperation with Russia in strengthening China will make it easier to cooperate with Russia in many other ways ... We must in postwar U policy planning bring the Russians all the way down to colonial Asia. -- Owen Lattimore, Solution in Asia, 1945.

**FACTOPHILE:** The Chinese Communists are self-professed Communists bound ideologically to the Soviet Union. They proclaim as their eventual aim the establishment of a Communist State in China... Removal of American assistance, without removal of Soviet assistance, would certainly lay the country open to eventual Communist domination. -- General A. C. Wedemeyer, 1947.

**FACTOPHILE:** Our failure to help the Government of China effectively at the end of the war, with its otherwise insuperable problems, particularly the Communist rebellion, will turn out, I fear, to be the single greatest blunder in the history of the United States. -- General Douglas MacArthur, 1947

**FACTOPHILE:** It is an established fact that whenever one has dared to expose the Communist threat he has invited upon himself the adroit and skilled talents of experts in character assassination. -- J. Edgar Hoover

**FACTOPHILE:** If our representatives only, made mistakes, they would sometimes make one in our favor. -- James V. Forrestal, Former Sec. of Defense

**FACTOPHILE:** To dismiss lightly the existence of subversive threat in the U.S. is deliberately to commit national suicide. The Russian conspirators smile, then frown, they zig, then zag, but they never really deviate. Bloody revolution is their goal. They regard America as the nation that must be destroyed. To be occupied with the dangers of possible atomic destruction, and to forget the deadly dangers facing us within is folly indeed. -- J. Edgar Hoover.

This is a world conspiracy which by now we should recognize. Despite smiles and exchanges of professors, despite a limited lifting of the Iron and Bamboo Curtains, world Communism continues its vicious war against everything for which we of the United States stand. -- Brig. Gen. F. L. Howley, U.S.A.

Macaulay, noted politician and historian of international fame.

FACTOPHILE: If we organize political action, to support the pro-Americans in our government and in public life, the world conflict will soon be over. We can win true peace for all the world if we will gird ourselves to defeat the enemy within. --Senator William Jenner

WORD: Aug 12, 1949--As a signatory of the Geneva Convention, the Soviet Regime pledged: "Protected persons...shall not be deprived, in any case or in any manner whatsoever, of the benefits of the present convention."

DEED: 1956--The International Commission of Jurists, stated: "Recent decrees and laws passed by the Kadar Regime in Hungary must be profoundly disturbing to members of the legal profession throughout the world, who are concerned to ensure that accused persons in criminal trials are accorded the safeguards recognized in all developed systems of law...."

Clearly demonstrated your aggressive intent of acquiring a favorable military position over the forces of the UN Command...."

WORD: July 21, 1954, Soviet Regime signed declaration of Peace in Indo-China. Cambodia, Laos, and Vietnam were to have full independence and sovereignty, etc.

DEED: Nov. 12, 1954 - Secretary Dulles before the Senate Committee on Foreign Relations, reported that Communist military forces in North Vietnam have "almost doubled and that two of Laos' provinces are "largely dominated" by Communists. Aug. 8, 1959 State Department of the U.S. noted that the attacks on Laos army posts were preceded by a visit to Moscow of North Vietnam's premier. (Witness the recent events occurring in Laos. --Ed.)

WORD: July 17-23, 1955 - Summit Conference at Geneva was attended by the Heads of the Big Four Governments.

DEED: Oct. 27-Nov. 16, 1955 - The few concessions that Khrushchev made at the Conference, were nullified by Molotov at the Foreign Minister's meeting.

President Eisenhower answered, somewhat angrily: "I can't guarantee any thing of this kind, for the simple reason I don't know what kind of a solution may be finally acceptable.."

Dear Sir:

Recently a booklet accusing a number of Hollywood stars and others of Communist Party membership and part activity has come to my attention. I have written to Senator Andrew F Scheopple and Representative Robert Dole, and both men sent information from the Un-American Activity Committee that the publishers of the booklet have a history of Communist fighting.

The booklet, a copy of which is enclosed, lists many entertainers and members of the broadcast profession, listing them as either card-carrying Communists or Fellow Travellers. If this is true, it is quite alarming when one realizes how many famous names are part of the group.

We have information to the effect that over 50 names are card-carriers.

There is no doubt that Communism is the greatest menace in the world today. We feel that we have an obligation to inform the people in our area about the contents of the booklet, if it is fact.

What we'd like to know, if the information can be made public, is the names of the actual card carrying members of the Party included in the list. We would appreciate any information you have on any of the men listed.

Sincerely

Dear Mr. [REDACTED]:

I have received your letter dated August 2 and appreciate the interest which prompted your communication. Please accept my thanks for your generous comments and support with regard to my book, "Masters of Deceit." I have read with interest the copy of your editorial you were so thoughtful to send me.

In response to your inquiry, literature from the organization you mentioned has been brought to the attention of this Bureau in the past. NOTE: Bufiles contain no information identifiable to correspondent and no record of the newspaper, the Edmond Sun. The correspondent asks the Director's opinion as to whether he should publish in the newspaper excerpts from articles written and disseminated by Myron Fagan.

The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Dear Sir,

I assume you are familiar with a booklet titled  
"Documentation of Reds in Hollywood and TV" published  
by one Myron Fagan.

I recently came into possession of this article,  
and at first blush considered reproducing sections of it  
in our newspaper more or less as a public service.

But on closer examination, I held off and finally  
decided to seek the benefit of your advice.

I question Fagan's usage of "cited" in this document.  
He apparently wants to import a somewhat sinister  
meaning to the term. The fact remains that you can be  
cited for a traffic ticket or for the Carnegie medal.

Assuming all his accusations are true, in full,  
I find myself doubting his advocacy of a buyer's boycott  
on TV sponsors such as General Motors, General Foods,  
Ford Motors, etc. Those boys go a good ways toward  
paying the freight, and a boycott which would cause them

to become a little shaky in the books would hardly be a service to the nation, it seems to me.

In short, if I were to reprint excerpts from Fagan's document, would I be rendering, in your opinion, a service or possibly a disservice to my community and my country?

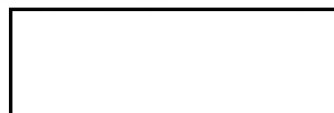

I had in mind a sort of box-score thing each week after a previous explanation of the whole series. A "these are the commie frontiers" on one side of the column and "these are the patriots" on the other.

I will greatly appreciate your opinion on this.

Incidentally, I thoroughly enjoyed "Masters of Deceit" and have recently been privileged to review and recommend it to various P-TA groups and civic clubs here.

I'm enclosing a reprint of an editorial I wrote some months ago. Hope you may find it interesting enough to repay your time in reading it.

Thank you kindly for your consideration.

## LET'S TAKE A LOOK AT *the Good Guy*

- ¶ What would happen if this nation turned her microscopes away from studying the selfish, the lazy, the crafty and the confused — and focused them instead on the industrious, the able, the honest and the morally strong? ¶ What would happen if we stopped psychoanalyzing the chicken-chested punk who knows only to sneer, and paid some genuine attention to the squares who have never stabbed a teacher or mugged an elderly woman?
- ¶ Think of the millions of dollars we've spent trying to find out what makes the delinquent. ¶ Think of the time our sociologists have spent trying to analyze the alcoholic, bely the broken home, and comprehend the criminal. Breeders of animals are smarter than this. ¶ Nobody develops winning race-horses by an intensive study of the losers. ¶ Nobody breeds prize pigs by researching the runts.
- ¶ We've taken the good guy for granted for so long in this country that we apparently know nothing whatever about him. ¶ Is he religious? Sometimes — but quite often not. ¶ Was he properly whaled by his parents when he was a kid? Again sometimes — but quite often not. ¶ Was he a sheer joy to his teachers? Not always — often he was the lad who turned their hair prematurely gray. ¶ But do we know about the bad guy? You bet we do. ¶ We know he is misunderstood, misguided, misdirected, and miserable — a victim of his environment. ¶ We know we must pity him and pamper him and pay for his rehabilitation.
- ¶ We must at all costs — and the costs are becoming outrageous — be nice to him. ¶ I say nuts to him and to our national fetish of the overwrought and discontented — the neurotic personality . . . the upset psyche . . . and the complex complex. ¶ Couldn't our gradeschools give at least as much extra time to developing the brilliant, the gifted, and the natural leaders as they give to those who haven't yet adjusted to group play?
- ¶ Must our highschoools continue to flood our colleges with the well-off, the show-off and goof-off . . . along with the talented . . . the able . . . and the devoted? ¶ I believe it is high time for our educators, our ministers, our businessmen, and our journalists to launch a mammoth talent hunt. ¶ Shouldn't we ensure that every gifted boy and girl gets at least as much attention as we give our classier criminals?

Dear Miss [redacted]

Your letter dated August 1, 1961, and enclosures have been received.

Although I would like to be of service, information in FBI files is confidential and available for official use only, due to regulations of the Department of Justice. Also, the FBI is strictly a fact-gathering agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any individual, organization or publication. Please do not infer in this connection, however, either that we do or do not have data in our files relating to the subjects of your inquiry.

With regard to the smaller leaflet you forwarded, you will note that it contains a statement to the effect that data therein is documented in the files of certain Government investigating agencies. I would like to assure you that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have never had access to the files of the FBI.

Your desire to help combat communism is gratifying, and certainly none of us can afford to close our eyes to this danger. I urge you and all students to strive to develop sound judgment through thorough study of the true nature of communism. Lack of full knowledge is dangerous in that it is responsible for the dangerous and indiscriminate labeling as communists those who merely dissent or advocate unpopular or unorthodox views. When fully cognizant that communist influence threatens, however, you should not hesitate to voice your convictions with courage.

Dear Sir:

Recently I became a charter student in The Famous  
Writer's School, Westport, Connecticut. Three days  
ago, I learned, from the enclosed tract, that one of  
the founders of this school is listed among a group  
of subversives in our Country.

Due to the implications involved, I am more than con-  
cerned about the truth in this matter. Therefore, I  
would appreciate answers to the following questions  
at your earliest convenience.

1. Is Bennet Cerf a Communist?
2. Is the school a subversive "front"?
3. If so, how may I help the F. B. I. in my  
role as a student?
4. If not, would you advise me to seek a "way  
out" on the basis of one individual?

I do not wish to have my future, whatever it may be,  
plotted out by the present connection with this school  
in the event its colors are all red.

Very truly yours,

Dear Sirs:

This week I attended a film on Communism. The statement was made in the film that the cable our government uses for secret communications is owned by the ~~American Communication Association~~ *U.S.* which is a Communist influenced association the speaker in the film said. I would like to know if this is true, and if so why our government officials don't stop using the cable. Is there anything that I can do as a citizen to help?

Also I received this tract at the meeting. I would like to know if it is of a reliable source. I noticed that ~~Ed Murrow's~~ *DE* name is on it and could not understand why we have him as a U. S. Information Chief if he is a registered Communist. These things alarmed us and we would surely appreciate an answer of these questions. Also if there are any tracts telling what we can do to fight Communism I would like the names of them. *e*

I surely appreciate your time.

Dear Sirs:

This week I attended a film  
on Communism. The statement was  
made in the film that the  
Cable our government uses for  
secret communications is owned by  
the American Communication Association  
which is a Communist influenced  
association the speaker in the film  
said. I would like to know  
if this is true, and if so why  
our government officials don't  
stop using the Cable. Is there

Gentlemen:

I have recently run across a leaflet put out by an organization calling itself Cinema Educational Guild, Inc. This leaflet names many well-known personalities in the communications industries as Communists and fellow-travellers. Is this organization a stylized John Birch Society, or perhaps a Communist front, or just a publicity stunt? Are the accusations it makes libelous or could they very well be valid?

I would appreciate very much your sending me any information you can give out on this group, if you have any at all. Thank you for your attention.

Sincerely yours,

Dear Mrs. [REDACTED]:

Your letter of August 8, 1961, with enclosure, has been received, and I want to thank you for your kind comments.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I hope you will not infer in this connection either that we do or do not have data in our files relating to the subject of your inquiry. Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

Enclosed is some material dealing with the general subject of communism which may be of interest, together with the pamphlet you sent.

Dear Sir,

Enclosed please find a "tract" that has been placed in my hands. I was very disturbed to read it and see names of well-known public figures being listed as communists.

Can you tell me if this is put out by a reputable organization? Is it a worthy investment to pass these out? Or is it merely slanderous material put out by disgruntled people?

I have appreciated your service to our country these many years and am grateful for the support your give the churches and Sunday Schools in the fight against crime and delinquency. I was raised in a Christian, church-centered home, and am trying to bring up my children in wholesome atmosphere also. If these TV personalities which my children view are pro-communist, I want to know and think the public should know.

Thanking you sincerely.

the Justice Department under the 1950 Subversive  
Activities Control Act. It was a 5-to-4 Decision . . .  
the Press front-paged that Earl Warren frantically  
endeavored to prevent that Decision.

Under our laws, giving aid and comfort to an  
Enemy in time of war is TREASON. Communism is  
a known mortal Enemy of the United States and the  
American people. Call it "cold" or call it "hot," we  
are at total war with that Enemy. Those three "De-  
cisions" unquestionably give aid and comfort to  
that Enemy. By that token, they are acts of  
TREASON!

A soldier, be he a General or a GI, who would  
commit similar acts of aid and comfort to the Enemy,  
would promptly be Court Martialed, and, if found  
guilty, shot as a traitor.

A Supreme Court Justice is no more immune for  
acts of aid and comfort to the Enemy than a Gen-  
eral — or a Julius Rosenberg. For him there is also  
a form of Court Martial, to wit: IMPEACHMENT  
PROCEEDINGS. For their acts, Chief Justice Warren  
and all the Justices who concurred in those "De-  
cisions" must be haled before Congress, and, if  
found guilty, they should not only be impeached,  
but should get the same kind of punishment that  
a Court martial would mete out to a General who  
would betray his army on the field of battle —  
or that was meted out to the Rosenbergs!

NOTE:—For those who may feel shocked by the very  
thought of impeaching a U. S. Supreme Court  
Justice there is just one question: what is more  
important—condoning the treasonous disloyalty of  
an Earl Warren, or the salvation of our nation?

And those who doubt that such an "exalted"  
person CAN be put on trial for his disloyal acts  
should bear in mind that in 1868 a PRESIDENT  
of the United States (Andrew Johnson) was im-

ENCLOSURE

## CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY," written by Israel Cohen, a Communist Party functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was published by the Washington (D.C.) Evening Star in 1957 — it was entered into the Congressional Record of June 7, 1957, by Rep. Thos. G. Abernethy. In 1960, after every copy of the book was ferreted out and destroyed, the ADL proclaimed that no such book was ever written — and the same Evening Star blandly confirmed the ADL's proclamation . . . why did they wait three years? . . . Significant?

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA." It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall

that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committee to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy is to succeed the FBI has to be destroyed!

So, to accomplish that, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Here is final proof of Warren's treason: In June (1961) the Supreme Court ruled that the Communist Party must register all its officers and members with

I would also like to know if the Cinema Educational Guild, Inc., is a truly American organization and if their intent is sincere.

In recent months I have heard a great deal about a pamphlet published by the Cinema Educational Guild in Hollywood which allegedly names all the known communists in the entertainment world. It is my understanding that this list is not authentic and has not been approved by the F.B.I.

This has upset me a great deal, because these pamphlets have been passed out in at least one school here. Also, most of the people who have access to them accept them as gospel. Any information you can give me on the subject will be greatly appreciated. Thank you.

Mr. [REDACTED]

Dear Mr. [REDACTED]:

Your letter of August 23, with enclosures, has been received, and it was certainly thoughtful of you to write. I deeply appreciate your very kind remarks concerning my book, "Masters of Deceit."

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. This Bureau is an investigative agency of the Federal Government, and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. I hope you will not infer in this connection either that we do or do not have data in our files relating to the subject of your inquiry.

The pamphlet you forwarded has been brought to our attention on a number of occasions. Some of the material disseminated by this group indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of the FBI. I can advise you that Mr. Howard Dan Smoot was a Special Agent of the FBI from March 23, 1942 to June 15, 1951, at which time he voluntarily submitted his resignation. Mr. Smoot's opinions are strictly his own and do not represent the FBI in any manner. I am unable, therefore, to make any comment concerning him or his work. ✓

Enclosed is some material dealing with the general subject of communism which may be of interest, together with the pamphlet you sent. I am also returning the stamped, self-addressed envelope which you so thoughtfully furnished. ✓

**NOTE:** Bufiles contain no information concerning [redacted]. Correspondent enclosed a tract published in 1961 by Cinema Educational Guild, Inc., Post Office Box 46205, Hollywood 46, California, together with a return self-addressed envelope bearing an airmail stamp. Former Special Agent Smoot resigned following censure, probation and transfer due to several unfounded charges made by him against his SAC, and due to his dereliction in not apprising the Bureau of certain matters. He was not recommended for reinstatement. SAC Letter 59-17F instructs all field offices to be most circumspect in handling inquiries concerning him. This letter stated that such inquiries should be answered indicating that any opinions and comments Mr. Smoot might be currently making in connection with his Dan Smoot Report, lectures, radio programs, etc., are strictly his own and do not represent the FBI in any manner.

The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's name and activities, and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files. (62-87267)

Dear Mr. Hoover,

You are destined to become the greatest man of our era because you wrote MASTERS OF DECEIT. A book that is non-controversial and written by the most respected man in the world. MASTERS OF DECEIT has been the starter for millions of people, people who will never stop until communism has vanished from the face of the earth. I have given 25 or 30 copies to friends and neighbors. They in turn, I hope, are giving copies.

The enclosed folder was given to me by a stranger at one of the anti-communism meetings I attended. I would like to have your opinion of this folder before I do anything with it. I have reached the point where I am no longer surprised at anything.

Do you approve of Dan Smoot? His reports on the invisible government? Robert Welch and the John Birch Society?

Any comments or opinions on any or all of the above questions will help guide me.

The whole non-communist world is indebted to you.

Sincerely,

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other **invaluable** information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan . . . this book will startle you—shock you—ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending \$2.00 to Cinema Educational Guild, Inc."

"RED STARS" — TRACT

**THE REDS ARE BACK IN HOLLYWOOD!!!**

**AMERICANS . . . To save America**

**from the Communist Conspiracy —**

**DON'T PATRONIZE REDS!!!**

**Keep Them OUT of Your (TV) Living  
Rooms - Out of Radio - Off the Screen**

**This Tract tells how YOU can do it!**

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

62-87267-601

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again!— and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

## TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Mr. [REDACTED]

Dear Mr. [REDACTED]:

Your letter postmarked August 23, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, information in the files of the FBI is confidential and available only for official use, pursuant to regulations of the Department of Justice.

Literature from the organization you mentioned has been brought to the attention of this Bureau in the past. One of the pamphlets it distributes contains a statement that data contained therein is documented in the files of certain Government investigative agencies. I would like to assure you that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have never had access to the files of the FBI.

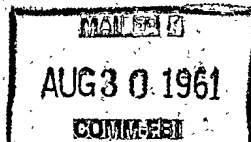

In view of the concern you expressed, I am enclosing one of my statements which points out ways in which all citizens can help combat the communist menace, together with a poster on communism, along with your pamphlet.

Sincerely yours,

NOTE: Correspondent is not identifiable in Bufiles. He enclosed a pamphlet put out by Cinema Educational Guild, Inc., concerning the United Nations which has been brought to the Bureau's attention in the past. The Cinema Educational Guild, Inc., is allegedly an anti-communist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. (62-87267). Bufiles contain no derogatory information concerning [REDACTED], mentioned in correspondent's letter, however, he has asked for communist literature in the past. It is noted correspondent indicates he is connected with groups fighting communism which use articles from Dr. Schwartz's Christian Anti-Communism Crusade and the John Birch Society. In view of that and the postscript added to his letter, he is not being furnished communist literature other than the 4-17-61 statement and the poster. Correspondent's incoming envelope is postmarked and signed [REDACTED] although his incoming letter under signature indicates [REDACTED].

I am enclosing a pamphlet sent to me by Cinema Educational Guild INC. P.O. Box 46205, Cole Branch, Hollywood Ca 1:

I am engaged in fighting Communism all I can. I have some of you material also "Masters of Deceit." I am a close friend of [redacted] of [redacted] we work together. I have organized many meetings for the showing of Operation Abolution Communism on the Map Etc. Use some of Dr. Swatz and John Birch articles.

I want your opinion of this groupe and the history of the leaders if you will please if I am to use the pamphlets I want to know their not just propaganda.

If you can send me anything which will be helpful in fighting communism as I loan out books where I work and they return them. Thank You

P. S.

The Tract seems very reasonable to me, as I have two close friends who were flyers over in Korea they wern't allowed to bomb the bridges only one way up and down the river as these were large Amunition Dumps on the other side, they had orders not to destroy. Also, One of my friends who went to school here with my two Sons, has told of the funny way they were told to retreat when they got to the "38" Pärueik" Could have drove the enemy back a lot faster if allowed. After retreating a few days later had to go back to the same Places and drive the enemy back again only to a certain line then retreat again. Sure looks funny to me.

I have a lot of respect for Gen. McArthur and none for H. T.

How many were committed by church members were among these embezzlers? How many taverns, liquor stores and such are there in the United States? How many are owned by or are leased by church members? I am writing a book, and I need to know the answers to the questions I have asked. I have already written about 70 pages of the book. It will be about 300-400 pages long when finished.

What is your opinion of the pamphlet "Red Star" that list about 200 communist, supposedly, movie stars. Some of them were questioned by the House of Un-American Activities Committee in the late '40's or early '50's. Some were released because the H. U. A. C. Dear Sir:

I am very concerned! I was handed a tract tonight put out by Cinema Educational Guild, Inc., P.O. Is it true? Can these facts be proven? If so, I feel that "we the people" should know this. But--if it can't be proven--of course--such information could ruin someone.

I am an AMERICAN with its true meaning, and I want my children to be free Americans. Please consider my requests. Thank you for your consideration.

Dear Sirs,

I would appreciate ~~some~~ information regarding the sincerity and authenticity of the "Cinema Educational Guild, Inc.," Myron C. Fayon, National Director, P.O. Box 46205 Cole Branch, Hollywood 46, California and their publications; specifically, "Documentations of the Reds and Fellow-Travellers in Hollywood and TV" and their tracts in which they state that Chief Justice Earl Warren is a "Red Sympathizer" and appeal for his impeachment.

In the documentations booklet they name such persons as Stanléy Kramer, Gregory Peck, Lucille Ball, Frank Sinatra, Henry Fonda, Marlon Brando, Robert Ryan, Kirk Douglas, Otto Preminger, Judy Holliday and a score of other actors, writers, producers and directors as being active Communist Party members, Fellow-Travellers or Red Sympathizers.

The Cinema Educational Guild, Inc. also appeals for an open trial of the United Nations before the Congress of the United States in order to determine if the United Nations can determine the fate of citizens of the United States as in the repealed "Genocide Treaty," "The Connally Ammendment" and the "United Nations World Court."

Any information you can give me regarding the Guild and their intentions for the good of America, Freedom and Democracy will be sincerely appreciated.

Sincerely,

Although I would like to be of assistance to you, information in the files of the FBI is confidential and available only for official use, pursuant to regulations of the Department of Justice.

Dear Mr. Hoover

The other day in the local post office I happened to pick up a paper called the "Red Starr" tract. It was a list of T. V. and Hollywood stars who are Reds and Fellow-travellers. This so called list was put out by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California.

Your Bureau usually knows about such things so I was wondering if it would make a check and see if this is a Red Front.

If your Bureau does made a check please let me know what you find out.

Dear Mrs. [REDACTED]:

I have received the letter postmarked August 29, 1961, with enclosure, from you and your family, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. I hope you will understand my position in not being able to make any recommendations regarding groups.

I am unable to send you material concerning communism on a continuing basis. Enclosed is some literature dealing with that subject you may like to read. Also enclosed is the pamphlet you forwarded.

Dear Mr. Hoover,

My family and I are deeply interested in doing what we can to save our beloved country from Communism. I am seeking your guidance because we do not want to do the wrong thing.

Please put us on your mailing list if that is possible.

We believe in prayer, learning about Communism in order to speak against its ideology and we write to our representatives when we feel we should. However, we would like to do more.

Are there any organizations aside from "Un-American Activities Committee" deserve backing? Example -

Cinema Educational Guild

I am enclosing a sample of their tract.

Dear Sir:

I was brought up to believe what is taught in church, but I am beginning to wonder if I should. I am enclosing some clippings from my church paper, and some tracts distributed by the church so you will better understand what I mean. It is hard for me to believe some of these things and still have faith in America.

I am violently against anything tinged with communism, but when I read these tracts I can't help but wonder if communists are cleverly working through our churches to destroy our faith in America. Other church members here are beginning to wonder, too, and we are hoping for you to set us straight.

To say that the United Nations is a death trap is one thing -- it could be true. But for the church to state flatly that it is a planned death trap for the United States makes my blood crawl. Do you believe this?

It is, indeed, hard for me to believe that many of these prominent people listed in this tract are communists, or even communist sympathizers. Bennet Cerf, Steve Allen, Joan Bennet, Danny Kaye -- to name a few. I will believe this if you say it is true.

Is there an indication that subversive agents are working through this church, or is this on the up and up?

We need to know about these things.

Sincerely yours,

Mrs. [redacted]

Thank you for the reply and literature you sent to me recently. You may be pleased to know that I used your letter, "To Law Enforcement Personal," as a part of a lecture and that it was also read at a regular NASAC meeting, and I shall continue to use it.

Americans are beginning to awaken to the threat of Communism. Perhaps not as rapidly as they should, but with the leadership and determination you have given to the American people we must surely win this battle.

The Honorable J. Edgar Hoover,

Washington, DC.

Dear Mr. Hoover:

In my church I have a study group going of 80 people, in order to alert the people of the threat of Communism. We have distributed the inclosed tract. Some feel it is not quite fair, although there is plenty of evidence that we have a terrible problem with the TV movies, newspapers, magazines etc in giving us a watered down anti-patriotism attitude.

Would you express an opinion as to the value of Fagan's tract The Reds Are Back in Hollywood!

Mrs.

Dear Mrs. :

I have received your letter of August 30, 1961, with enclosure. Your concern about the problem of communism is certainly understandable. My book, "Masters of Deceit," was intended as a basic text on this subject, and I do appreciate your interest in it.

Inasmuch as the files of the FBI are confidential pursuant to a regulation of the Department of Justice and are available for official use only, I am not able to comment concerning the material in the pamphlet you mentioned. I can advise you, however, that copies of it have been brought to our attention on a number of occasions. It indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

In regard to the other matter you mentioned, I would like to point out that the FBI is strictly a fact-finding agency of the Federal Government. While we conduct investigations of some individuals in connection with their employment in certain sensitive positions, the results of these investigations are furnished without evaluation to the employing agency concerned. That agency is solely responsible for determining what action will be taken regarding the individual's employment.

Mr J Edgar Hoover, Director  
Federal Bureau of Investigation  
Washington, D C

Dear Mr Hoover:

Several months ago I read your novel "Masters of Deceit", and wish to tell you sincerely that yours is the most important novel I have ever read. If only more people were aware of the information you gave us, I think they would pull their heads out of the sand and look around them in fear for their safety.

You pointed out in your book, the case of Elia Kazan and his FORMER affiliation with the communist party and how he is still being blackmailed by them. Today, I was handed a brochure put out by the "Cinema Educational Guild, Inc.," P O Box 46205, Hollywood 46, California, which listed movie and television stars, writers, etc., who are NOW (supposedly) affiliated with the communists. This list is supposed to be a 1960 revised copy, but the name of Elia Kazan is still listed with them. Now, don't get me wrong, since reading your book I believe less than half of what I read about anyone anymore, but it seems very unfair to me that someone is still blackballing the man after his cooperation with the FBI on the subject.

I called your office here in Phoenix and they suggested I write Robert Kennedy for HIS list of the same, which I have done. Until I receive the one issued by the Government, I refuse to believe anything anyone else puts out. However, I still maintain, it's a shame there is not some way to stop these people from hurting Mr Kazan's reputation. If this man has cleared himself, and is no longer associated with them, then I say he has suffered enough. Also mentioned were Edward R Murrow, Chet Huntley, and Frank Sinatra, bosom buddy of the Kennedy family. Another thing I would like to ask. IF this information were true, and, say, Edward R Murrow IS a communist, would the FBI have the authority to keep him from holding the office in our Government that he now holds?

It is far beyond me why these people who openly admit to being communists should be protected by our Constitution. To me, admitting myself as a communist would seem to be automatically denying myself of the rights of the country I have so openly denied. They are not Americans, they do not believe in America, or the American way of life, so why should they be protected by the Constitution they no longer uphold and believe in.

Dear Mr. [REDACTED]:

Your letter of September 5, 1961, with enclosures, has been received. Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I hope you will not infer in this connection either that we do or do not have data in our files relating to the subjects of your inquiry. Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

With respect to your question as to what you can do to counter the communist threat, I have always encouraged our citizens to educate themselves to the true nature and methods of the communist movement in order that they may intelligently resist the zealous efforts of its adherents to destroy our form of government. This knowledge also helps to avoid the danger of confusing communism with legitimate dissent on controversial issues. We cannot use vigilante action or action outside the law in combating communism, and it is the responsibility of the people to report the facts to the proper authorities. You may desire to read my book, "Masters of Deceit," which relates to the story of communism in America and how to fight it. You may be able to obtain a copy of it at your local library.

Enclosed is some material dealing with this general subject, together with the pamphlets you sent.

Once the communists turn on a comrade, the treatment is complete. For example:

Earl Browder, onetime General Secretary, was expelled in February, 1946, for

... developing factional activity and for betraying the principles of Marxism-Leninism and deserting to the side of the class enemy —American monopoly capital.

Sam Donchin, Associate Editor, *Daily Worker*, until shifted to leadership position on the Party's Education Commission, was also expelled. The *Daily Worker* on March 12, 1951, in announcing his expulsion, said, "Donchin was expelled for factionalism, anti-Party activities, hostility to the line of the Party and to the Party leadership, and white chauvinism."

The announcement continued: "Donchin tried to cover up his factionalism in the name of criticism and self-criticism in the Party. He demagogically tried to identify criticism and self-criticism in the ranks of the Party with a right to carry on factional conduct in the Party."

Once a former member breaks with the Party and testifies or makes a public statement, he can expect a merciless campaign of vilification. On April 10, 1952, the well-known stage and screen director, Elia Kazan, appeared before the House Committee on Un-American Activities and testified that he had been in the Party for a year and a half in the 1930's and quit because of the regimentation and thought control that had been directed at him. Two days later he took a paid advertisement in the *New York Times* explaining his reasons. *Daily Worker* writer Samuel Sillen on April 17, 1952, gave Mr. Kazan the full treatment with such vitriolic words as:

We have seen a lot of belly-crawling in this time of the toad, but nothing has quite equaled last week's command-performance by Hollywood director Elia Kazan. . . . Not even in Hitler days did renegade intellectuals sink so low. . . . Kazan is not content with being a toad. He must also be a philosopher of toadyism.

Dear Sir,

I am  years old and I am a senior in Parkersburg High School.

Recently, I came in contact with these so called TRACTS. I am sending the ones I had. You probably have seen them before.

I would like to know if there is truth at all in them. If it is the truth, what can I, as a young American who loves his country, do about this threat to our country? I might not be able to do much however I want to do something.

Yours truly,

Dear Mr. [REDACTED]:

This is in reply to your letter with the enclosed tracts published and sold by the Cinema Educational Guild, Inc. of Hollywood, California.

I have seen similar leaflets from the same source over a period of years and have recently received others from some of your fellow employees at O. G. and E.

Apparently the author finds that it is a profitable business to sell these leaflets defaming the characters of government officials and others in public life without evidence. If evidence is available, he could present it to Mr. J. Edgar Hoover, director of the Federal Bureau of Investigations, which has been effectively guarding our country against subversion for many years and with the full support of Congress and Presidents of both political parties.

Dear Mr Hoover:

I am greatly perturbed over the activities by an Anti-Communist group, to awaken Americans to the menace of Communism.

Some of their information is so jarring, I can't believe it. If I can find someone of importance and highly respected and who I am convinced is reliable in confirming even a part of this group's claims, then I can proceed to listen to them with an open mind and a willing ear.

I feel sir, that of all the people in public office, you are the one who would be in a position to know of these things and whom I would trust and take your word on an answer to anything I may ask.

This particular group is headed by a woman, whose name is [REDACTED]. She is an American who fled from Cuba when Castro took over everything.

*W.S.*  
I won't go into detail about the work of this organization, but it is trying very hard to show people how and where the Reds have infiltrated into the government of our country, even up to the Presidents government associates and advisors.

Now Sir, if you could answer a question for me, on just one of these claims, I would greatly and deeply appreciate it. It's not as important as some others they have made, but for me, it is a starter.

Enclosed is a list of names, big names, of people all America is familiar with, not personally perhaps, but at least they are known to the American public.

These people are supposed to be Communists or have leanings that way.

If you, Mr Hoover, can give me any information confirming this, one way or another, I shall be very grateful, or tell me where I can get the information if not from you.

It is in my mind that many of these people are connected with good works. The printer of this list could be a Red, just planting seeds of suspicion and distrust.

~~Thats a popular trick of the Reds.~~ On the other hand, these famous people could be Communists and get away with it because of thier wealth and position. I'd like to know which it is.

My Lord, the average American needs the truth from someone, some where.

Please, Mr Hoover, you can be most helpful, not just to me but to many others too, if you will just take a minute and give me the information I requested, or enlighten me some way.

I hope this letter reaches you, as I have been told that often, mail is deterred by Red hands from reaching the party it is directed to in the government

I can't tell you how important this letter is, to me. Enough, so that I'd pay for a phone call from you or a representative of yours, in reply to it. The number is Liberty (Li) 1-6506

Dear Mr. Hoover,

I am a student at Birmingham Southern College and I have a study group. I have asked you for some of your very fine pamphlets in the past. This time, however, I would like to know something about the three pamphlets enclosed.

One of my members has a father who called these pamphlets subversive material. Personally, I think these reprints are perfectly correct, but they are controversial with the public.

Please let me know if these pamphlets are good or subversive. Thank you for your time.

Dear Mr. [REDACTED]:

Your letter of September 14, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

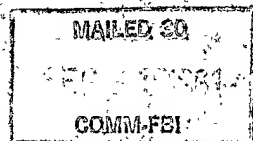

Enclosed is some material dealing with the general subject of communism which may be of interest, together with the pamphlet you sent.

Dear Sirs:

24  
I am presently serving in the U.S. Navy in a Helicopter Anti-Submarine Squadron for training. I consider myself an "average sailor", and I guess not as well informed as an American should be. This letter is concerning information, partly out of curiosity and partly as a documentation of some literature which I have read recently.

I came into contact with some of the writings published by the CINEMA EDUCATIONAL GUILD, INC., P.O. Box 46205; Hollywood 46, California. The subject in question is the "RED STARS"-TRACT, a pamphlet concerning and naming actors, singers, dancers, commentators, writers, directors, producers, and composers, as communists. In reading this pamphlet and reading parts of the "Documentations of the Red Stars and Fellow Travellers in Hollywood and T V", written by Myron C. Fagan, I find it hard to believe that the people in question are Communists, as some of them are some of the biggest names in Show business.

Enclosed is a copy of the subject pamphlet and I would greatly appreciate it if you could send me some information on the Cinema Educational Guild and on Myron C. Fagan, and also some information either confirming this literature, or proving it to be false and untrue.

I am greatly concerned, as I am a fan of many of the people on this list.

I thank you very much.

Respectfully Yours,

SOASN

Dear Sir:

I am enclosing a pamphlet which was recently handed to me by a friend - As I am constantly on the watch for any information that might be the wrong information, I am writing to ask if the information in this circular is true & if the book "Documentations of the Red Stars & fellow travellers by Myron C Fagan" is one that every good American should read. There are so many books & circulars these days, that I am at a loss to know which ones are accurate & which ones are really un-American. I realize that you cannot push any publication, but Americans must be able to obtain information on them from some one like your department that we can rely on.

I have been trying from my rental library to obtain a copy of your Masters of Deceit to read - they inform me that it is out of print at this time - Is this true.

Thanking you in advance for any information you can give me about the enclosed circular, I remain,

Dear Sir:

The Attached pamphlet is being circulated in Enid, and several of us have been wondering if the Cinema Educational Guild, Inc. is a reliable organization. In other words, can we believe the information in this circular, or is this circular itself being distributed by communists. Any information would be appreciated.

Sincerely,

Miss [redacted]

Dear Miss [redacted]:

Your letter of September 18, with enclosures, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, the FBI is strictly an investigative agency of the Federal Government and does not furnish evaluations or comments concerning the character or integrity of any individual, publication or organization. Literature regarding the group you mentioned has been brought to the attention of this Bureau in the past. One of the pamphlets it distributed contains a statement that data contained therein is documented in the files of certain Government investigative agencies. I would like to assure you that the Cinema Educational Guild, Incorporated, and its national director, Myron C. Fagan, have never had access to the files of the FBI.

In response to your inquiry, I am enclosing a copy of the list of organizations which have been cited by the Department of Justice as coming within the scope of Executive Order 10450. The House Committee on Un-American Activities has also prepared a "Guide to Subversive Organizations and Publications," in which are listed groups and periodicals which have been cited by various state and Federal agencies. The Government Printing Office advises that it is now out of print, but you may be able to secure a copy through your local public library.

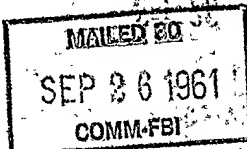

In view of the concern you expressed, I am also including some material on the general subject of communism you may wish to read.

Sincerely yours, SE 2 51 BH: E

The CEG is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director Myron C. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files. She also included a Freedom Seminar Program held on 9-17-61 at the American Legion Home in Norco, Louisiana. DECLASSIFICATION AUTHORITY DERIVED FROM:  
FBI AUTOMATIC DECLASSIFICATION GUIDE  
DATE 10-05-2010

Mr. J. Edgar Hoover  
U.S. Dept. of Justice  
Federal Bureau of Investigation  
Washington, D.C.

Dear Mr. Hoover:

I know you are a busy man but I hope you will take time to answer this.

Our community and many others throughout the land are finally becoming conscious of communism and its threat to America and the free world. We are sometimes confused as what to believe. There are so many societies and organizations springing up over night that I honestly find it hard or impossible to tell what is true and what is propaganda. I know to fight one must know how to recognize Communist propaganda.

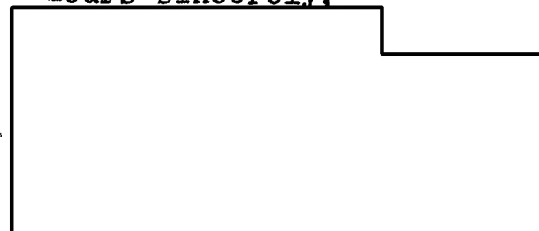

I attended a meeting last week at which time films were shown and literature was available for those who wanted it. Two of the little pamphlets -- The Genocide Plot and Don't Patronize Reds! -- were published by Cinema Educational Guild, Inc., Hollywood, California.

I was shocked to read the list of actors, writers and commentators who were listed as Reds -- Edward R. Murrow, head of the U.S. Information Agency. How can that be? What are we to believe? Is the Cinema Educational Guild to be accepted?

Believe me, I am not the only one here who is confused. We all wish as good Americans to become informed, so we can learn and combat communism but it's a hard job. Is there any place I can get a list of the legitimate and truly American organizations and publications or at least, a list of those to be avoided?

I wish to thank you for your kindness and consideration. Any help you can send will be appreciated.

Yours sincerely,

SEP 22 1961

Gentlemen:

In my studies regarding Communist infiltration in our beloved country, someone sent me a copy of the enclosed tract. I was shocked by some of the names that are on this list. I'm sure that some of the people listed may indeed be Red and fellow-travellers, but I believe that many of these people must be unjustly accused. If that is the case, this kind of a tract does far more harm than good.

Before having any part in the distribution of this tract, I would like information as to whether this list is reliable, and if it is not reliable, are you in a position to separate the Reds from the genuine Americans on this list?

I would appreciate any help that you can give us in this struggle against the forces of atheist Communism.

How To Fight Communism  
Communist Illusion and Democratic Reality  
Christianity Today Series  
One Nation's Response to Communism  
Correspondent's enclosure

NOTE: Correspondent cannot be identified in Bufiles.  
Enclosure was a pamphlet concerning The Reds are Back in Hollywood which has come to the Bureau's attention in the past. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. (62-87267)

Edgar C. Bundy, General Chairman of the Church League of America, Wheaton, Illinois, claims to have formerly been a Major in Air Force Intelligence. He represented himself in 1950 as a former FBI Agent but this allegation was not substantiated. In 1954, Bundy deliberately tried to mislead the Bureau by attempting to get a Bureau speaker, the then Inspector C. D. DeLoach, to appear before a political meeting. Bundy's scheme was discovered in time to thwart it and the Chicago Office was instructed to be most circumspect in subsequent dealings with him, (100-54070-6; 100-158864-9; 47-39431-18) and W. C. Sullivan to Belmont memo 5-2-51. Bundy is also a former Baptist minister who does much lecturing around the country on communism, and the Bureau received frequent citizens' inquiries concerning him.

Dear Sirs:

The enclosed pamphlet came into my hands recently and I felt it necessary to write to you and request a report as to its validity. There are so many things concerning communism in circulation that it is very difficult to find out who is telling the truth and who isn't. Some of our great statesmen tell us we must all fight communism, but just how can we go about it in all the confusion?

I would greatly appreciate your answer.

Dear Mr. Hoover:

Since the late 1930's when I was a high school student, I have respected your leadership in the Federal Bureau of Investigation and the integrity of your organization. It was in recent months a great shock to read or hear about attempts in our nation to discredit you and the F.B.I..

My husband is a chairman of a recently formed subversive activities study group under the sponsorship of our local and also recently formed Manhattan Beach Republican Club. In an attempt to truthfully judge the materials we study, we need to have one item clarified as follows:

- a. In your paper bound edition of "Masters of Deceit" that we bought this summer, on page 238 - 239, you mention that the Anti-Defamation League and B'nai Brith as having the fullest opposition to communism.
- b. Are you familiar with Myron G. Fagan's documentations on Hollywood and T.V. stars? In his 1961 "Documentations of the Reds and Fellow-Travellers in Hollywood and T.V.", \*beginning with page 22 and ending on page 27, Mr. Fagan gives a startling and opposite view to that which was in your book.
- c. This brings to mind the following questions:
  1. Are Mr. Fagan's writings reliable?
  2. Since writing "Masters of Deceit", have you changed your opinion concerning B'nai Brith and the Anti-Defamation League?
  3. What is the truth concerning B'nai Brith and the Anti-Defamation League?

I hope that you will be able to clarify this matter for our study group. We do not want to use material that will lead to hysteria and name calling and yet we realize that in the many authentic and documented books available, some rather startling information is given in a necessary cause.

A fellow employee of mine showed me a pamphlet titled; "Red Stars". The pamphlet is presently being published and distributed by the Cinema Educational Guild Inc. whose address is P O Box 46205, Hollywood 46, California. They are charging \$2.00 for 100 copies.

This organization has also published a paper-back book titled "Documentations of the Red Stars and Fellow-Travelers in Hollywood and TV", by Myron C. Fagan at the price of \$2.00 per copy.

NOTE: Bufiles contain no references to correspondent. Correspondent's enclosures were five of the well-known tracts being distributed by the Cinema Educational Guild. Included were the U. N. tracts, numbers 1 and 2; The "Genocide" Plot; the "World Court" tract; and "The Reds Are Back in Hollywood!!!" The Cinema Education Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. Dear Mr. Hoover:

Recently some tracts were passed on to me that questioned the loyalty of many of our top government people. These same tracts also listed supposedly known communists in the movie industry. They also say they are telling the real truth about the U.N.

I am enclosing these tracts and would like your opinion as to the validity of these charges and also I would like to know the reliability of the organizations printing this material. Please return these when you have finished with them, if they are the truth to the best of your knowledge.

Thank you very much for your precious time.

Very truly yours,

Mr. [REDACTED]

Dear Mr. [REDACTED]:

Your letter of September 21, with enclosure, has been received, and the interest which prompted you to write is appreciated. Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only.

Material disseminated by the Cinema Educational Guild, Incorporated, has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither this organization, nor its national director, Myron C Fagan, has ever had access to the files of this Bureau.

In connection with your other query, I have always encouraged our citizens to educate themselves to the true nature and methods of the communist movement in order that they may intelligently resist the zealous efforts of its adherents to destroy our form of government. This knowledge helps to avoid the danger of confusing communism with legitimate dissent on controversial issues. We cannot use vigilante action in combating this subversive threat and it is the responsibility of the people to report information to the proper authorities. May I suggest my book, "Masters of Deceit," as an easy-to-read primer relating the story of communism in America and how Americans can fight it.

Enclosed is some material about communism together with the pamphlet you sent.

Sincerely yours,

J. Edgar Hoover

Dear Mr. Hoover:

The enclosed Tract has come to my attention. I am sure your group has seen this before; however, I would appreciate any comments which you may be able to offer on it. It is certainly a serious indictment of many of the otherwise well respected people in public life.

If you have any personal recommendations on what part the individual who is dedicated to the preservation of Christian principles and our democratic way of life can or should play in the fight against communism, I would appreciate receiving these.

Thanks for your help.

TO : Mr. DeLoach

DATE: 10-2-61

FROM : D. C. Morrell *DM*SUBJECT: SENATOR MIKE MANSFIELD,  
CONSTITUENT INQUIRY  
RE BENNETT CERF AND MARGARET MEADE

By letter of September 27 Senator Mansfield forwarded several copies of correspondence relating to the appearance of Bennett Cerf and Margaret Meade before the State Convention of the Montana Education Association (MEA). Our relations with Mansfield have been cordial.

It would appear that a great deal of controversy has come to pass over the appearance of these two because of distribution of literature from the Cinema Educational Guild, Inc. (CEG) which lists both Cerf and Meade as communist and/or "fellow travelers." Bufiles contain nothing derogatory regarding Mr. Cerf whose name appears on the Special Correspondents' List on a first-name basis. We have never investigated Mr. Cerf. Bufiles indicate that in 1951 we conducted an investigation concerning Dr. Meade (Mrs. Gregory Bateson) pursuant to Executive Order 9835. Information in the Chicago Office indicated that she was a member of the "League of Homeless Women" which has been cited. Our investigation did not develop any information which would question her loyalty to the country. The Civil Service Commission (CSC) made a determination that both she and her husband could continue in their positions with the Department of Public Health on the basis of loyalty.

The CEG and its national director, Myron C. Fagan, are well known to the Bureau. This is an irresponsible organization which circulates numerous tracts alleging "exposure" of communists and fellow travelers in the entertainment industry. Some of its material contains the statement that information contained in its pamphlets can be documented in the files of government investigating agencies. This group has been responsible for the distribution of anti-Negro and anti-Semitic pamphlets also. Fagan has, in the past, attempted to use the Director's name in the furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner.

that we have not investigated Mr. Cerf and that in 1951 we conducted a loyalty investigation concerning Dr. Meade, following which the CSC made a determination that she could continue in her position with the Public Health Service on the basis of loyalty. Also, the administrative assistant should be advised with respect to the irresponsible nature of Fagan and the Cinema Educational Guild.

It is noted that one of the constituents, Mr. [REDACTED], has already contacted SAC Bromwell with respect to this matter. Therefore, it is not felt that any contact with Mr. [REDACTED] is necessary. Bufiles contain no derogatory information concerning him and our only correspondence is an outgoing dated 4-26-39. Bufiles contain no references to Mr. [REDACTED] in [REDACTED].

FBI  
READING ROOM

I have received the letter of September 29 and enclosure from you and your husband, and I am pleased to know you found the material I sent you to be so informative.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only.

Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

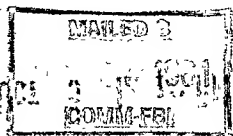

In view of the interest you expressed, I am enclosing some additional literature on the subject of communism, together with the pamphlet you sent.

Sincerely yours,

J. Edgar Hoover

Correspondent's Enclosure

NOTE: Bufiles contain no derogatory information concerning correspondent. On 9-22-61, she directed a similar letter to the Bureau; however, she failed to include the tract. The Director's reply of 9-27 advised her of this omission, and enclosed some literature on communism, none of it is being duplicated at this time. Her request to be referred to another source is purposely being ignored.

Enclosure was a pamphlet concerning "Reds" in Hollywood and TV which has come to the Bureau's attention in the past. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. Dear Mr. Hoover:

Enclosed you will find a tract we are curious about. It was given to us by a friend who says he obtained it from an "anti-Communism" class he attends at his church. We were so astounded by its contents that we wanted to be assured of its validity before taking it too seriously. If you can't give us a judgment on it perhaps you could guide us to an authoritative source.

The five (5) pieces of literature you sent us were very informative and very much appreciated. It helped "set us on the right foot."

We will be anxiously awaiting your reply.

Sincerely yours,

/s/ Mr. & Mrs.
